N.B	* "Bidders are required to submit the total cost for all items listed above, including the costs for items a, b, c, d, e, f & g. The bidder shall be responsible for the delivery of the goods to the final destination including obtaining certificate of conformity and any other necessary import certifications for successful delivery".				

N.B	The supplier shall provide all necessary items, accessories, and materials required for the installation and training of the equipment, and all associated material and labor costs shall be clearly mentioned as required in the bid.				
N.B	The consignee (the government of Tanzania) will manage the tax exemption process and furnish the supplier with the required exemption letter for the clearance of the equipment.				
	If the consignee is unable to obtain tax exemptions, UNOPS may require the awarded supplier to settle the applicable taxes on behalf of UNOPS, including, but not limited to, import duties, excise duties, VAT, and other import-related fees and levies. To this end, UNOPS may, at the time of award, allocate funds for these costs and other unforeseen charges, including storage and demurrage costs, to cater for any additional expenses arising from the payment of taxes.				

N.B: Bidders must provide the type and percentage of the applicable taxes in the table below.
If the consignee cannot provide a tax exemption certificate, they may request the awarded bidder to pay such taxes and duties on their behalf.
For this reason, the taxes and duties will not be included in the UNOPS purchase order.
