IMPORTANT DISCLAIMER:

Please note that the above-stated schedule is tentative and subject to any form of an amendment. Make sure that your company signs up for the relevant product codes at the UNGM portal to receive the automated messages when UNFPA launches a solicitation process for the products relevant for your company's business.

The purpose of sharing this information is solely intended for your company's planning process.

Please do not contact UNFPA until a specific tender is published. Many thanks in advance for your continuous interest in doing business with UNFPA.
