1.	Section 5: Evaluation Criteria, Page 8, Minimum Requirements/Qu alifications, point No. 1	Is it possible for international firms to work on this? Or locally-based and registered only?	No. Grant applications shall only be accepted from <b>national</b> not-for-profit Non-Governmental Organisations (“NGOs”) that are registered by the Humanitarian Aid Commission (“HAC”) to operate in Sudan. No governmental agencies, departments, or ministries are eligible.
2.	Section 5: Evaluation Criteria, Page 9, Minimum Requirements/Qu alifications, point No. 2	Our organization is interested in applying for this call, but we did not work in mine action but we have some staff trained with you before (meaning through UNMAS organized training). We have more than nine field offices in Sudan with HQ in Khartoum, is our organization eligible to apply?	Organizations must demonstrate a minimum of one year of experience in implementing successful Explosive Ordnance Risk Education (“ EORE ”) projects in Sudan; OR at least 10 years’ relevant experience of the Senior Management for newly established NGOs/ start ups. If your organization does not have the requisite EORE experience (whether by virtue of the organization, or alternatively its Senior Management as described above), then it will not be deemed eligible.

Thank you.
