

CONFIDENTIALITY UNDERTAKING FOR NON-STAFF MEMBERS

1. I, [\[Insert name of company's staff member\]](#), undertake not to disclose at any time during or after my work for [\[Insert Company name\]](#) in connection with [\[Insert Contract No\]](#) (the "Work") any information which may come to my knowledge in connection with this Work, including, but not limited to, any commercial, technological or industrial secrets of the IAEA, whether written or unwritten, to which I may have had access ("Confidential Information"), to any person, Government or organization not authorized by the IAEA to receive such Confidential Information.
2. I further undertake that, I shall:
 - a. Handle Confidential Information in a manner so as to protect its integrity, including responsible storing of such Confidential Information;
 - b. restrict any use that I make of such Confidential Information to the proper execution of my duties;
 - c. refrain from any unauthorized use of such Confidential Information;
 - d. Inform the IAEA immediately of any breach of confidentiality that may occur despite my best efforts to protect against such.
3. I undertake that, at all times following the completion of the Work, I shall not use, disclose or disseminate any of the Confidential Information, except as authorized by the Director General. I also undertake to take no action or intentionally omit any action that may lead to such Confidential Information being disclosed or exploited.
4. I understand that a breach of my obligations not to disclose Confidential Information without appropriate authorization may result in the initiation of legal proceedings against me, during or after the term in which the Work is performed.
