

## Section II: Schedule of Requirements

**eSourcing reference:** RFQ/2020/16291, (MMOC/B5506/RFQ/2020-139)

### Provision of Insurance service for UNOPS, Myanmar

#### General Background of UNOPS

UNOPS Myanmar is one of the UNOPS' leading offices in Asia, acting as fund manager for three of the largest development programmes in the country, namely the Access to Health Fund, the Livelihood and Food Security Fund (LIFT) and the Joint Peace Fund (JPF). In addition, UNOPS is Principal Recipient for the Global Fund in Myanmar and for the Global Fund's regional artemisinin-resistance initiative towards elimination of Malaria, which works to accelerate progress towards malaria elimination in the greater Mekong sub-region. UNOPS provides procurement, infrastructure and project management services to a wide range of organizations in the country, including the Government of Myanmar, international development partners, other UN agencies, NGOs and INGOs. UNOPS plays a critical role in ensuring that the quality of services provided to its partners meets stringent requirements of speed, efficiency and cost effectiveness.

1.1. **Objective:** UNOPS is soliciting quotations for the establishment of a Blanket Purchase Agreement as defined in this document. Quotations must be submitted by using the Returnable Bidding Forms contained in Section III. The overall objective of this solicitation is to establish a Blanket Purchase Agreement (BPA) to facilitate and expedite the process by which UNOPS will contract provision of insurance for motorcycles, motor vehicles and office equipment once there are specific requirements in the 12 months following the signature of the BPA subject to maximum ceiling amount of MMK 50,000,000. If the ceiling amount is not reached during the initial 12 months, the BPA may be extended for another 12 months period. The BPA will be terminated once MMK 50,000,000 is reached regardless of the timeline mentioned above.

1.2 **Estimated Volume:** Please refer to 1.6 below.

1.3 **Number of BPAs and non-Exclusivity:** UNOPS will enter into a single BPA agreement with one supplier selected as a result of this procurement process, as per evaluation methodology and criteria specified herein. The BPA shall be considered by UNOPS as non-exclusive and UNOPS will not be committed to purchase any minimum quantity.

1.4 **Call Off Mechanism and prices:** Once the BPA is signed, if there is a specific requirement for insurance, the UNOPS appointed focal person shall issue a release Purchase Order (PO) to the supplier. The PO may be for full comprehensive coverage or third party with additional coverage based on the requirements. The PO will include details on the type and number items to be insured and other practical details. The pricing will be based on prices in the BPA contract.

1.5 **Contract Management/Service Level Agreement:** The BPA supplier shall provide quarterly reports to the UNOPS focal point indicated in the BPA. UNOPS will regularly monitor the performance of the BPA supplier, based on the following Key Performance Indicators (KPIs):

- KPI 1: Responsiveness to claiming process
- KPI 2: Completeness of the order. Supplier shall deliver service as per specification included in the order and at the right quantity.

If the supplier fails to meet UNOPS's performance requirements detailed above, it will receive in the first instance a warning to improve their performance. Continued failure to meet performance requirements may result in termination of the BPA.

1.6 UNOPS Myanmar would like to insure motorcycles, motor vehicles and office equipment listed below and is looking for a suitably qualified supplier to provide the insurance service.
