## Bid Bulletin 1

RFQ-040-PHL-2021 MEDIA PRODUCTION FIRM FOR THE DOCUMENTATION OF THE EMPOWER PH AND EMPOWER BARMM INITIATIVES

Dear Bidders,

The deadline has been extended, **please take note of the change.**

We received some inquiries, please find below the responses.

### A. Deadline Extension

Original Deadline	Latest Deadline
29 April 2021 COB	6 May 2021 COB

### B. Technical

Question	UNDP Response
1. May we ask if there are any benchmark videos we can review for our consideration?	A separate Bid Bulletin will be issued on this inquiry.
2. Would you require production firms available within BARMM?	We don't require production firms based in BARMM because we also have interviewees here in Manila, although given mobility restrictions, work can be done remotely. In that case, a decent internet connection might be needed if the firm would be from BARMM.
3. How set/final is the timeline placed on the TOR?	The timeline is really tight because we are bound by the funder's timeline.
4. Is there a possibility to utilize existing LTAs on Creative Services for Video Production and Events Management with other UN Agencies?	Yes

Please be guided accordingly.

Thank you.
