## Clarifications to Questions from Bidders

Part 2 - 2-Jul-2021

No	Reference	Question from Bidders	Clarification from UNICEF
1	Annex D: Financial Response form - Input/price offer	The tender and Annex D - Financial Response request a fixed price offer. - Would UNICEF consider instead a commercial arrangement on a Time & Materials basis?	<p>As per Annex D, UNICEF is asking the bidder to submit a lumpsum proposal (i.e. <b>fixed price</b> including all costs - as per scope of work and all deliverables defined in the TOR). If the bidder is unclear about the scope of work, or any other details in the TOR, kindly send us your request for (technical) clarification.</p> <p>NB. If during the assignment / contract fulfilment there should be any deviation to the TOR (i.e. delay due to fault of UNICEF, additional deliverables, increased scope of work or similar), the contractor must highlight any potential additional costs to the UNICEF contract manager <b>before</b> they occur. Any costs in addition to the agreed lumpsum must be approved in writing by the UNICEF contract manager, before the contract can be amended to allow additional invoicing.</p>
