Part 2 - 2-Jul-2021

| No | Reference | Question from Bidders | Clarification from UNICEF |
|----|---|--|--|
| 1 | Annex B: Term of Reference (TOR) 3. Description of assignments | - What is the expected level of the 3-4 programme results areas which will form the basis of each Country Office's Business and Program analysis? E.g., 'nutrition' versus a specific element of nutrition such as 'breastfeeding' | It is expected that it will be a more specific aspect of the programme results area e.g. breastfeeding or overweight in the case of nutrition or child online protection or parenting in the case of child protection. |
| 2 | Annex B: Term of Reference (TOR) 4. Deliverables | In the event of the Indonesia analysis being postponed to 2022, - What will be the level of engagement of Indonesia Country Office colleagues during the 2021 assignment? E.g., can components A and B for Indonesia be conducted in parallel with the other 3 countries, with C, D, and E conducted later? | The engagement of Indonesia Country Office colleagues refer to component C , D and E. It will be possible to carry out A and B for Indonesia in parallel with the other 3 countries. |
| 3 | Others / In general | - Who are the focal points the consultant will be liaising with on a day-to-day basis during the assignment? i.e., UNICEF EAPRO officer versus individual Country Office officers or more specifically, Country Office private sector engagement leads | The overall day-to-day liason for the assignment will be the Regional Child Rights and Business Manager in UNICEF EAPRO. However, there will be close contact with the Country Office private sector leads as part of component C+D. |
