1	Annex B: Term of Reference (TOR) 3. Description of assignments 4. Deliverables	Bidder fear that 78 days is underestimated to do this analysis for 4 countries, especially the “concise country landscape mappings” in 3 days per country. - Would bidder be automatically disqualified if quote more days than the 78 allowed?	With reference to the TOR which is asking for a simple landscape mapping for each of the 4 offices using graphics and visuals to present the country’s economy, workforce demographics, key business sectors including those with relevance to children’s rights, key initiatives and platforms working to promote responsible business practices etc. This overview is <u>not</u> an-depth study or exercise but a basic overview based on desk research. The mapping will inform the subsequent business and program analysis process. Bidders will not be disqualified by quoting more than 78 days.
