

Section I: Instruction to Bidders

1. SCOPE OF BID

Bidders are invited to submit a bid for the goods and/or services specified in Section II: Schedule of Requirements, in accordance with this ITB. A summary of the scope of the bid is included in the **Tender Particulars** section.

All correspondence and notification in relation to this ITB shall be sent through the UNOPS eSourcing system.

2. INTERPRETATION OF THE ITB

This ITB is an invitation to treat and shall not be construed as an offer capable of being accepted or as creating any contractual, other legal or restitutionary rights.

No binding contract, including a process contract or other understanding or arrangement, will exist between the bidder and UNOPS and nothing in or in connection with this ITB shall give rise to any liability on the part of UNOPS unless and until the Contract is signed by UNOPS and the successful bidder.

3. AMENDMENTS TO THE ITB

Prior to the deadline for Bid Submission, UNOPS may at its discretion modify the bidding documents by way of a written addendum. All written addenda to the bidding documents shall form part of the ITB.

In the event UNOPS modifies the ITB, UNOPS will make such amendments through the UNOPS eSourcing system.

In order to give the bidders reasonable time to take such modification into account, UNOPS may extend the Deadline for Bid Submission as may be appropriate under the circumstances.

4. BIDDER ELIGIBILITY

Bidders may be a private, public or government-owned legal entity or any association with legal capacity to enter into a binding contract with UNOPS.

A bidder, and all parties constituting the bidder, may have the nationality of any country with the exception of the nationalities, if any, listed in the **Tender Particulars** section. A Bidder shall be deemed to have the nationality of a country if the Bidder is a citizen or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country.

A Bidder shall not have a conflict of interest. A bidder shall be considered to have a conflict of interest if:

- A Bidder (including its personnel) has a close business or family relationship with a UNOPS personnel or with personnel of the UNOPS partner who engaged UNOPS who: (i) are directly or indirectly involved in the preparation of the bidding documents or specifications of the contract, and/or the bid evaluation process of such contract; or (ii) would be involved in the implementation or supervision of such contract;
- A Bidder is associated, or has been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by UNOPS to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods, services or works required in the present procurement process;

- A Bidder has an interest in other bidders, including when they have common ownership and/or management. Bidders shall not submit more than one bid, except for alternative offers, if permitted. This will result in the disqualification of all bids in which the Bidder is involved. This includes situations where a firm is the Bidder in one bid and a sub-contractor on another; however, this does not limit the inclusion of a firm as a sub-contractor in more than one bid. In the case of procurement processes with lots, this provision shall apply on a lot by lot basis;
- A Bidder does not comply with any other conflict of interest situation relevant to the specific procurement process as specified in the solicitation document.

Bidders must disclose any actual or potential conflict of interest in the Bidder Information Form questionnaire and they shall be deemed ineligible for this procurement process unless such conflict of interest is resolved in a manner acceptable to UNOPS. Failure to disclose any actual or potential conflict of interest may lead to the Bidder being sanctioned further to UNOPS policy on vendor sanctions.

A Bidder shall not be eligible to submit a bid if and when at the time of bid submission, the Bidder:

- is included in the Ineligibility List, hosted by [UNGM](#), that aggregates information disclosed by UNOPS ([UNOPS Ineligibility List](#)) and other Agencies, Funds or Programs of the UN System;

All bidders are expected to embrace the principles of the [United Nations Supplier Code of Conduct](#), given that it originates from the core values of the Charter of the United Nations. UNOPS also expects all its suppliers to adhere to the principles of the [United Nations Global Compact](#) and requests that all bidders observe the highest standard of ethics during the entire bid process, as well as the duration of any contract that may be awarded as a result of this bid process as further defined in Article 40.

If a bidder does not have all the expertise required for the provision of the goods/services to be provided under the Contract, such bidder may submit a bid in association with other entities, particularly with an entity in the country where the goods and/or services are to be provided. In the case of a joint venture, consortium or association:

- (i) All parties of such joint venture, consortium or association shall be jointly and severally liable to UNOPS for any obligations arising from their bid and the Contract that may be awarded to them as a result of this ITB;
- (ii) The bid shall clearly identify the designated entity designated to act as the contact point to deal with UNOPS. The duly filled Joint Venture Partner Information Form must be included with the Bid. Such entity shall have the authority to make decisions binding upon the joint venture, association or consortium during the bidding process and, in the event that a contract is awarded, during the duration of the contract; and
- (iii) The composition or the constitution of the joint venture, consortium or association shall not be altered without the prior consent of UNOPS.

5. ERRORS OR OMISSIONS

Bidders shall immediately notify UNOPS in writing of any ambiguities, errors, omissions, discrepancies, inconsistencies or other faults in any part of the ITB, with full details of those ambiguities, errors, omissions, discrepancies, inconsistencies or other faults.

UNOPS will not issue any formal answers to questions from bidders regarding the ITB or bid process during the clarification meeting. All questions shall be submitted in accordance with Article 7.

The clarification meeting shall be conducted for the purpose of providing background information only. Without limiting Article 6, bidders shall not rely upon any information, statement or representation made at the clarification meeting unless that information, statement or representation is confirmed by UNOPS in writing.

The bidders' responses shall not contain any changes regarding the substance or price of the bid, except to confirm the correction of arithmetic errors discovered by UNOPS in the Evaluation of the bids, in accordance with Instructions to Bidders Article 27.

UNOPS may use such information in interpreting and evaluating the relevant bid but is under no obligation to take it into account.

26. COMPLIANCE OF BIDS

UNOPS's determination of a bid's compliance is to be based on the contents of the bid itself.

A substantially compliant Bid is one that meets or exceeds the requirements under the Schedule of Requirements and the Evaluation Criteria of the ITB without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

- (a) affects in any substantial way the scope, quality, or performance of the Goods and/or Services specified in the Schedule of Requirements; or
- (b) limits in any substantial way, inconsistent with the Bidding Documents, UNOPS' rights or the Bidder's obligations under the Contract; or
- (c) if rectified would unfairly affect the competitive position of other Bidders presenting substantially compliant bids.

If a bid is not substantially compliant to the Bidding Documents, it shall be rejected by UNOPS and may not subsequently be made compliant by the Bidder by correction of the material deviation, reservation, or omission.

27. MINOR INFORMALITIES, ERRORS, OR OMISSIONS

Provided that a Bid is substantially compliant, UNOPS may waive any minor informalities, errors or omissions in the Bid that do not constitute a material deviation. These are a matter of form and not of substance that can be corrected or waived without being prejudicial to other Bidders.

- (a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of UNOPS there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
- (b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be rejected and its Bid Security may be forfeited.

28. PRELIMINARY EXAMINATION

Upon opening of the bids, UNOPS shall proceed to a preliminary examination of the bids to confirm that all documents and technical documentation requested in Instructions to Bidders Article 10, Documents comprising the bid, have been provided, and to determine the completeness of each document submitted. UNOPS may reject any bid during the preliminary examination which does not comply with the formal and eligibility requirements set out in the Evaluation criteria section, without further consultation with the bidder.

Bids which are incomplete, frivolous, or that contain material deviations from or reservations to the terms of the Contract, may, in UNOPS absolute discretion, be rejected or excluded from further consideration at any time during the evaluation, including after preliminary examination.

29. EVALUATION OF BIDS

To evaluate a Bid, UNOPS shall only use all the methodologies and criteria defined in the ITB. No other criteria or methodology shall be permitted.

All bids found substantially compliant with the formal and eligibility criteria under Article 28, Preliminary Examination, will go through subsequent evaluation as follows:

1. Qualification criteria (if included in the Evaluation Criteria section). Only bidders meeting the minimum qualification criteria will be deemed qualified and be evaluated further.
2. Technical evaluation will be conducted to establish substantial compliance, as per criteria included in the Evaluation Criteria section. When the specifications of the item(s) quoted vary in one or more significant aspect/s from the minimum required technical specifications, or when the bid does not meet the delivery schedule, the bid will not be considered substantially compliant and will not be evaluated further.
3. The prices of bids found to be substantially compliant, will be compared to identify the most substantially compliant bid which represents the lowest overall costs to UNOPS.

After completion of the evaluation but prior to award, UNOPS shall conduct background checks/due diligence on the Bidder recommended for award, to confirm the Bidder meets the criteria set forth in this ITB or as appropriate to the nature of the procurement process and to reject a Bidder on the basis of these findings. Bidders shall permit UNOPS representatives to access their facilities at any reasonable time to inspect the Bidder's premises.

30. AWARD CRITERIA

In the event of a Contract award, UNOPS shall award the Contract to a Bidder who has been determined as eligible and qualified and whose bid has been determined to be the lowest priced, substantially compliant offer to the Bidding Documents. UNOPS reserves the right to conduct negotiations with the bidder recommended for award on the content of their bid.

31. UNOPS RIGHT TO VARY QUANTITIES AT THE TIME OF AWARD

At the time the Contract is awarded, UNOPS reserves the right to increase or decrease the quantity of Goods and/or Services originally specified in Section II: Schedule of Requirements, provided this does not exceed the percentages specified in Section II: Schedule of Requirements, and without any change in the unit prices or other terms and conditions of the bid and the ITB.

32. NOTIFICATION OF AWARD

Prior to the expiration of the period of bid validity, UNOPS will notify the successful Bidder in writing by email or post, that its bid has been accepted. Please note that the Bidder, if not already a registered vendor, will be required to complete a vendor registration process on the UNGM prior to the signature and finalization of the contract.

34. PERFORMANCE SECURITY

The successful Bidder, if so specified in the **Tender Particulars** section shall furnish a Performance Security in the amount and form specified therein, within the specified number of days after receipt of the Contract from UNOPS. UNOPS shall promptly discharge the Bid Securities of the unsuccessful Bidders pursuant to Instructions to Bidders Article 18.

Failure of the successful Bidder to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event UNOPS may award the Contract to the next lowest evaluated Bidder, whose offer is substantially responsive and is determined by UNOPS to be qualified to perform the Contract satisfactorily.

35. PAYMENT TERMS

UNOPS will ordinarily effect payment within 30 days after receipt of the services/goods and on submission of payment documentation unless otherwise stated in the **Tender Particulars** section. Time in connection with discounts offered for accelerated payment will be computed from the date of receipt of payment documents by UNOPS. Payment discounts will not be considered in the financial evaluation.

Unless otherwise stated in the **Tender Particulars** section, UNOPS will not accept requests from Bidders to make advanced payments on the contract signed, i.e. payments made prior to receipt of goods and/or services.

If so accepted in the **Tender Particulars** section, a request from the bidder for advance payment shall be justified in writing by the bidder in its bid. This justification must explain the need for the advance payment, itemize the amount requested, and provide a time-schedule for utilization of the requested advance payment amount. If such request is duly accepted by UNOPS, UNOPS may require the Bidder to submit a Bank Guarantee in the same amount as the advanced payment, in the form included in Section IV: Contract Forms, or another Form acceptable to UNOPS.

36. CONTRACT MANAGEMENT

UNOPS will continuously manage the contractor's performance during the entire contract period and will conduct performance evaluation based on Key Performance Indicators (KPIs) or Service Level Agreements (SLA) if so specified in Section II: Schedule of Requirements.

Except under the circumstances of Force Majeure as described under the UNOPS General Conditions of Contract, if the Contractor fails to deliver any or all of the goods by the date(s) of delivery or perform the services tied to the delivery of goods within the period specified in the Contract, UNOPS may, without prejudice to any or all its other remedies under the Contract and if so stated in the **Tender Particulars** section, deduct from the Contract price, as liquidated damages, a sum of the original total Contract price for each day of delay until actual delivery or performance, up to a maximum deduction of 10%. Once the

maximum is reached, UNOPS may terminate the Contract pursuant to the General Conditions of Contract.
