1	Annex B: Term of References (TOR) - In general - Annex E.2 - Micro Assessment - Annex E.3 - Spot check - Annex E.4 - Audit check	Referring to the Annex B: TOR and Annex E.2 - E.4, Noted that one of the in-scope countries is Indonesia,  - Could UNICEF please explain how it will be different from the Indonesia's local tender in the area of LTA Micro Assessment, Spot Check & Audit?	For the UNICEF EAPRO - Regional LTA, it is tailored to have a service provider that can provide services to all the 14 Country Offices within the region. The LTA will be different but may have similar prices. The Country Offices will choose whether to use the Local LTA or Regional LTA based on prices and/or other aspects such as ease of communication, familiarity with eTools etc.
