Dear Sir/ Madam,

Please be informed that, further to inquiries from prospective Offerors, we are sending both the clarification request received and the respective UNDP response to all Offerors which asked questions and posting on relevant procurement websites along with our standard practices.

Clarification Note: 1

1	We haven't seen a specific country selection. However, just after we checked out your previous call for the similar consultancy, we had seen your response on country selection in the clarification document shared by UNDP afterwards which was to be taken place in Colombia. Is there any specific decision on country selection as for this RFP?	the country is Colombia

All other terms and conditions remain the same.

Thank you and best regards,
