

Amendment # 1

Title: Request for Information for Roster NGOs
RFP: UNDP/AFG/RFI/2021/00000010189

United Nations Development Programmed (UNDP)

S/no	RFI Reference	Questions	Responses
1	RFI-10189 Document	If a CSO/NGO has already been approved as an CSO/NGO of UNDP roster, does it require to reapply?	<p>Yes, they are encouraged to apply in this round for two reasons:</p> <p>1. New sub thematic areas are added in this RFI. If they do not apply, there is a risk that they will miss the opportunity for qualifying for new thematic/sub thematic activities</p> <p>2. As per the technical experiences and financial capabilities, UNDP has four categories of CSO/NGOs. Some CSOs/NGOs might have completed new project (since finalizing our earlier roster process) and have gained new experiences and financial capabilities. They might be eligible for the next higher category of financial capability.</p>

Yours sincerely,

Procurement Specialist
