Evaluation/ Award criteria: Cumulative Analysis.

The evaluation and award criteria that will be used for this RFP is Cumulative Analysis evaluation (point system with weight attribution). The weighting ratio between the technical and financial proposals will be 70:30. The respective importance between technical and financial scores will be weighted as 70% and 30%.

An offer is considered technically acceptable (and therefore eligible for opening of financial offers), when it obtains 70 points out of 100 at the technical evaluation. The final selection of the contractor will be based on a combination of the technical and financial proposals with a weighting of 70% for the technical proposal and 30% for the financial proposal. Proposals scoring below 70% of the available technical points will be considered non-compliant and will be rejected and not further considered (e.g. the passing score is 49 points out of 70).
