

SECTION I

1. INFORMATION FOR APPLICANTS

Interested vendors are invited to submit an application for pre-qualification for the works described in the Particulars' section, in accordance with this IFP.

All correspondence and notification in relation to this IFP shall be sent through the UNOPS secured email.

2. INTERPRETATION OF THE IFP

This IFP is an invitation for pre-qualification and shall not be construed as an offer capable of being accepted or as creating any contractual, other legal or restitutionary rights.

No binding contract, including a process contract or other understanding or arrangement, shall exist between the Applicant and UNOPS and nothing in or in connection with this IFP shall give rise to any liability on the part of UNOPS.

3. AMENDMENTS TO THE IFP

Prior to the Deadline for Application submission, UNOPS may at its discretion modify the contents of the IFP by way of a written addendum. All written addenda to the IFP contents and documents shall form part of the IFP.

In the event UNOPS modifies the IFP, UNOPS shall make such modifications through UNOPS email system and shall notify in writing all vendors that expressed interest in the pre-qualification process.

In order to give the interested vendors reasonable time to take such modifications into account, UNOPS may extend the Deadline for Application submission as may be appropriate under the circumstances.

4. APPLICANT ELIGIBILITY

Applicants may be a private, public or government-owned legal entity or any association with legal capacity to bid and enter into a binding Contract with UNOPS.

An Applicant, and all parties constituting the Applicant, may have the nationality of any country with the exception of the nationalities, if any, listed in Particulars section. An Applicant shall be deemed to have the nationality of a country if the Applicant is a citizen or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country.

An Applicant shall not have a conflict of interest. An Applicant shall be considered to have a conflict of interest if:

- (i) Applicant has a close business or family relationship with a UNOPS personnel who: (i) are directly or indirectly involved in the preparation of the solicitation documents for pre-qualification, and/or the evaluation process of such pre-qualification (ii) are directly or

- (ii) Applicant is associated, or has been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by UNOPS to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods, services or works required in the present procurement process;
- (iii) Applicant has an interest in other applicants, including when they have common ownership and/or management. Applicants shall not submit more than one application, except for alternative applications, if permitted. This shall result in the disqualification of all applications in which the Applicant is involved. This includes situations where a firm is the Applicant in one application and a sub-contractor on another; however, this does not limit the inclusion of a firm as a sub-contractor in more than one application.

Applicants must disclose any actual or potential conflict of interest in the Application Form and they shall be deemed ineligible for this procurement process unless such conflict of interest is resolved in a manner acceptable to UNOPS. Failure to disclose any actual or potential conflict of interest may lead to the Applicant being sanctioned further to UNOPS policy on vendor sanctions.

An Applicant shall not be eligible to submit an application if and when at the time of application submission, the Applicant:

- (i) is included in the Ineligibility List, hosted by [UNGM](#), that aggregates information disclosed by UNOPS (UNOPS Ineligibility List) and other Agencies, Funds or Programs of the UN System;

UNOPS also expects all its suppliers to adhere to the principles of the [United Nations Global Compact](#).

If an Applicant does not have all the expertise required to be pre-qualified, such Applicant may submit an application for pre-qualification in association with other entities, particularly with an entity in the country where the works are to be provided. An entity may not submit more than one application in response to this IFP, whether alone or in association with other entities. This does not however limit the inclusion of a firm as a potential sub-contractor in more than one application.

In the case of a joint venture, consortium or association:

- (i) all parties of such joint venture, consortium or association shall be jointly and severally liable to UNOPS for any obligations arising from their application and the Contract that may be awarded to them as a result of this pre-qualification;
- (ii) the application shall clearly identify the designated entity designated to act as the contact point to deal with UNOPS. - (iii) The composition or the constitution of the joint venture, consortium or association shall not be altered without the prior consent of UNOPS.

5. ERRORS OR OMISSIONS
