SPECIFIC TERMS AND CONDITIONS

1. BACKGROUND

1.1. Adolescent pregnancy refers to pregnancies occurring among girls below the age of 20 years at the time the pregnancy ends. The rate of teenage pregnancy is generally measured by adolescent fertility rate. Globally, adolescent pregnancy remains a major challenge and is a major contributor to maternal and child mortality and to the vicious cycle of ill-health and poverty. This pregnancy takes an enormous toll on a girl's education, income-earning potential, health, and well-being of her child. The girl is also at risk of contracting sexually transmitted infections including the Human Immunodeficiency Virus and transmits the infection to her unborn baby.

Every year, an estimated 21 million girls aged 15-19 years in developing regions become pregnant and approximately 12 million of them give birth. Majority of the pregnancies are unintended and may sometimes be the result of sexual violence. Approximately 83% of teenage pregnancies occur in low and middle-income countries such as Zimbabwe. The global average adolescent fertility rate was estimated at 44 births per 1,000 women aged 15-19 years in 2018. Zimbabwe with an adolescent fertility rate for women aged 15-19 years of 108 per 1,000, is among the countries in sub-Saharan Africa with a huge problem of adolescent pregnancy. In Zimbabwe, adolescents contribute an estimated 25-30% of maternal deaths.

There is wide recognition that the factors associated with teenage pregnancies are complex and multifaceted and are a result of the interplay among individual, family, school/peer, community, policy, and national level factors. The multifaceted nature of this challenge, requiring policy and programmatic interventions as well as innovation in areas such as economic empowerment, education, health, protection, inclusion, gender equality and culture, also underscores the importance of collaboration.

Addressing adolescent pregnancies will require strong partnerships between adolescents, parents, educators, governments, development partners, religious and traditional leaders, local and international organisations, civil society, private sector, and other stakeholders. In a context of social norms and religious beliefs, priorities as well as limited resources, addressing this intractable challenge calls for a better understanding of how many these adolescents are, who they are, why and how they fall pregnant, where they are, and what pathway they follow after falling pregnant. It is also important to understand what support and opportunities are currently being offered to such adolescents, with the possibility of expanding and or improving on such opportunities as well as promote pregnancy prevention interventions that empower the vulnerable adolescents. It is within this context that the national taskforce on reducing adolescent pregnancies is proposing a study that seeks to profile the adolescents who fall pregnant.

The study will gather adequate qualitative and quantitative information on the nature and extent of the problem of adolescent pregnancies in Zimbabwe. This information is critical for developing effective policies, programmes, and interventions that will better target these adolescents and expand opportunities for affected adolescents in Zimbabwe. The study will also help to improve coordination from national to local level towards the realization of the increased efficiency in the delivery of services to respond to the needs of these adolescents. Ultimately it will provide the evidence base for the possible redesign of both at policy and structural level of pregnancy reduction programmes towards better outcomes for adolescents

2. OBJECTIVES, PURPOSE & EXPECTED RESULTS

GOAL

The overall objective of this assessment is to determine the character and scale of the problem of adolescent pregnancies in Zimbabwe. The assessment will examine the causal factors contributing to the problem as well as identifying existing or alternative programmes being offered and the groups of

adolescents benefiting from them.

2.1.SPECIFIC OBJECTIVES

The study aims to identify root causes leading to adolescent pregnancy. It also aims to understand the pathways and experiences of a cohort of adolescents who have fallen pregnant before the age of 20, to gain a deeper understanding of their experiences, needs and map the much-needed support to tackle adolescent pregnancy. The study will:

- a). Examine literature to establish data and trends of adolescent pregnancy in the last five years.
- b). Identify and examine factors leading to adolescent pregnancies by sub-groups, location and. source perspectives from boys, parents and community leaders and others.
- c). Examine how the COVID-19 pandemic has influenced adolescent pregnancies.
- d). Develop comprehensive and detailed profiles of a sub-set study participants who experienced adolescent pregnancy, expounding on who are they, where are they and analyse what effect, if any, the individual, community, school and contextual factors have on adolescent pregnancies, did they know their HIV status before pregnancy, were they tested during pregnancy and/or after and the current status (considering confidentiality-can check child health card).
- e). Identify differences, if any, in trends and factors affecting pregnancies, including by age, geography, socio-economic status and disability status if feasible.
- f). Examine what opportunities are available to adolescents to prevent pregnancies.
- g). Examine the post-pregnancy experiences of adolescents who fall pregnant, and their children including growth monitoring, Infant and Young Child Feeding practices and Early infant Diagnosis for those HIV exposed. Source perspectives of boys, parents and community leaders and others.
- h). Identify and profile government, civic society and commercial organisations and individuals offering preventive and mitigation programmes and interventions.
- i). Identify and examine Laws and Policies that address issues of Child Sexual Abuse, and
- j). Make strategic recommendations that more adequately respond to the diverse needs of adolescents and will guide the design of programmes to reduce adolescent pregnancies in Zimbabwe.

3. DESCRIPTION OF THE ASSIGNMENT

The selected partner/firm will be responsible for the design and implementation of the study over a period of 6 months. The major tasks involved are the following:

- 3.1. Literature Review: Undertake an extensive review of national, regional, and international literature on adolescent pregnancies, to identify key factors affecting adolescent pregnancies.
- 3.2. Research Design: Develop an appropriate methodology to collect qualitative and quantitative data to effectively achieve the stated objectives. As part of this component, the consulting firm or consultants will design and validate data collection instruments as well as cross-sectional database with demographic and other information on the individual respondents as well as their contexts. The consulting firm or consultants should reference the United Nations Evaluation Group (UNEG) Norms and Standards for Evaluation in developing the research.
- 3.3. Sample (cohort) selection: Propose a sampling method that will result in a sample that reflects the diversity of the Zimbabwean adolescent population. This method should conform to

the Gender and Human Rights based research methods and take cognizance of factors that affect drop out including wealth, gender (boys and girls), disability status, geographic location, and contextual factors. To that end, the proposed approach should be stratified to ensure various categories of adolescents are included in the study, including those with disabilities.

3.4. Data Collection and Analysis: The partner's methodology will include a strategy and plan for collection of data to address the study objectives. The data collection plan should provide details including the types of data, sources, frequency of data collection, models, and methods to be used. In addition, a strategy setting out the approach to and types of analysis that will be done to achieve the objectives. The analytic strategy should also include analysis of secondary data.

3.5. Initiation of the participants: Participants should be informed of their participation and the duration, type of information that will be collected.

3.6. Engaging with Government: Since data will be held by various Government departments, it is desirable that the researchers establish a strong relationship with the focal persons in those Ministries to get the data.

3.7. Final Report: The consulting firm or team of consultants is expected to develop a final analytic report with policy options based on the results of the study; and Final database and debriefing of participants.

4). METHODOLOGY

The study methodology shall follow a qualitative mixed-methods approach combining secondary quantitative data review and qualitative methods of data collection to obtain rich insights, address all the objectives of the assignment and to assure triangulation of data sources and data collection methods. Bidding partners are expected to propose an appropriate methodology allowing for collection of all required information with detailed sampling strategy, study instruments and analytical approach that will effectively achieve the stated objectives and in so doing answer guiding questions. The assessment approach and data collection and analysis methods should focus on gender and human rights aspects, be responsive and appropriate for analyzing gender, equity, and human rights issues, including child rights and Sexual Reproductive Health issues. While the Taskforce recommends that bidders propose new questions where possible. The study should answer the following questions:

- a). What has been the adolescent pregnancy trend in the last 5 years? Has there been an increase or decrease in the number and proportion of adolescents that fall pregnant?
- b). What is the profile of a sub-set study participants who have experienced adolescent pregnancy: who are they, where are they? Are there differences in trends across income levels, geographical locations (rural vs urban etc), educational status (more categories to be defined at desk review stage)?
- c). What are the drivers of adolescent pregnancy? What categories can these drivers be put in? Are there voluntary or involuntary factors that lead to the pregnancy? (categorise the factors by voluntary and involuntary)?
- d). Does falling pregnant involve an active process of making decisions on the part of adolescents, and if so, what are the critical decision points and the factors contributing to these decisions? If not, how many adolescent girls fall pregnant without taking an active decision, for instance because of gender-based violence, lack of knowledge, and disability?
- e). What factors pre-dispose the adolescents to the pregnancies? How do these factors predispose the adolescents?

- f). What are the perspectives of boys, parents and community leaders and others on adolescent pregnancies?
- g). Are there girls aware of HIV and syphilis, testing and care and treatment and their perceived risk to HIV, syphilis and transmission to their babies.
- h). What are the post-pregnancy experiences of pregnant adolescents?
- i). What are the effects of adolescent pregnancies?
- j). What are the pathways pursued by adolescents who fall pregnant?
- k). What opportunities are available to adolescents to prevent pregnancies, and what is their capacity?
- l). What proportion of pregnant adolescents benefit from these opportunities?
- m). What is the profile of government, civic society and commercial organisations and individuals offering programmes and interventions to prevent and or respond to the challenge and effects of adolescent pregnancies?
- n). What is the combination of economic and social programmes and policies should be considered to reduce the number of adolescents who experience pregnancies before the age of 20?

To achieve the objectives of study, and address the specific issues of the assessment, the information and other data will be collected both from secondary sources and primary sources. The following methods provide guidelines to support prospective bidders in designing their methodology:

4.1. Literature Review: The consulting firm or team is expected to conduct an extensive review of national and international literature on adolescent pregnancies, to identify key factors that contribute to this challenge. A list of documents to be considered is provided in the appendix. The literature review is expected to inform the design of the study, types of data to collect and the analytic approaches to be used in conducting the study.

4.2. Secondary data analysis: Existing data bases from the Ministries of Health and Child Care; Primary and Secondary Education and Public Service, Labour & Social Welfare provide rich information on system wide indicators. This is a potential source of data to identify numbers and understand the broader context. Reports of previous studies conducted by from government ministries, co-partners, and other development agencies as well the secondary sources may be used to extract information. A list of documents to be considered is provided in the appendix.

4.3. Interviews: The researchers should consider using structured and semi-structured interviews to get detailed inputs and perspectives from participants and other stakeholders. These will help to answer qualitative questions regarding process and deepen understanding of how and why adolescents experience pregnancies.

4.4. Survey: A survey of sample is required to get quantitative data that help understanding of generalizable phenomena among the sample. This will help to provide data for statistical analysis that help to establish relationships among variables.

4.5. Focus Group Discussions: These should be used to in a manner as to gain the experiences and opinions of stakeholders. They can also help to deepen understanding and help with triangulation of other findings.

4.6. Observations: These should be considered to ensure the consulting firm or consultants understand the issues they are studying, confirm or challenge other data and interpretation of data as well as to provide data. The consulting firm or consultants will design observation schedules and apply approaches that minimise disruption.

4.7. Case Studies: Consideration should be given to developing robust case studies of some respondents, whose stories will be highlighted to give the data a human face. It is critical to conduct an in-depth study of a few selected respondents. This allows for deeper and closer assessment of the issues surrounding school survival.

4.8. Analysis and Report Writing: The consulting firm or consultants should propose a clear strategy for analysing both the qualitative and quantitative data using techniques suitable for each of the data types. It is expected that the analyses take advantage of the most current approaches to quantitative and qualitative data analysis. Techniques should ensure sufficient attention to issues of human rights and equity including dimensions related to gender, disability status, social and economic status, and geography. The analysis should clearly answer the questions outlined in the objectives and provide insights on transition, school survival, retention and dropping out, using data collected during the study. The data analysis should culminate in a final report on the study.

If the RFPS was available publicly online, amendments will also be posted publicly online. Further, all prospective Proposers that have received the RFPS documents directly from UNICEF will be notified in writing of all amendments to the RFPS documents. 2.3 Validity Period. Proposers must indicate the validity period of their Proposal. Proposals should be valid for a period of not less than one hundred and twenty (120) days after the Submission Deadline. A Proposal valid for a shorter period of time shall not be further considered. UNICEF may request the Proposer to extend the validity period. The Proposal of Proposers who decline to extend the validity of their Proposal shall become disqualified as no longer valid.

2.4 Other Changes. All changes to a Proposal must be received by UNICEF prior to the Submission Deadline. The Proposer must clearly indicate that the revised Proposal is a modification and supersedes the earlier version of the Proposal, or state the changes from the original Proposal.

2.5 Withdrawal of Proposal. A Proposal may be withdrawn by the Proposer on e-mailed, faxed or written request received by UNICEF from the Proposer prior to Submission Deadline. Negligence on the part of the Proposer confers no right for the withdrawal of the Proposal after it has been opened.

2.6 Clarifications Requested by UNICEF. During the evaluation of Proposals, UNICEF may, in its sole discretion, seek clarifications from any Proposer in order for UNICEF to fully understand the Proposer's Proposal and assist in the examination, evaluation and comparison of Proposals. UNICEF may seek such clarifications through written communications or may request an interview with any Proposer. During this clarification process, no change in the price or substance of the Proposal will be sought, offered or permitted, except as required in order to allow for correction of arithmetical errors discovered by UNICEF.

2.7 References. UNICEF reserves the right to contact any or all references supplied by the Proposer(s) and to seek references from other sources as UNICEF deems appropriate.

3.0. Eligibility; Proposer Information

3.1 Proposer. The term "Proposer" refers to those companies that submit a proposal pursuant to this LRFP ZIM/2021-9172099 to carry out a National Assessment on Adolescent Pregnancies in Zimbabwe and "Proposal" refers to all the documents provided by the Proposer in its response to this LRFP. A Proposer will only be eligible for consideration if it complies with the representations set out in Part V of this RFPS, including the representations on ethical standards, including conflicts of interest.

3.2 Joint Venture, Consortium or Association.

(a) If the Proposer is a group of legal entities that will form or have formed a joint venture, consortium or association at the time of the submission of the proposal, each such legal entity will confirm in their joint Proposal that:

- they have designated one party to act as a lead entity, duly vested with authority to legally bind the members of the joint venture jointly and severally, and this will be evidenced by a Joint Venture Agreement among the legal entities, which will be submitted along with the Proposal; and
- if they are awarded the contract, the designated lead entity will enter into the contract with UNICEF, who will be acting for and on behalf of all the member entities comprising the joint venture.

(b) After the Proposal has been submitted to UNICEF, the lead entity identified to represent the joint venture will not be altered without the prior written consent of UNICEF.

(c) If a joint venture's Proposal is the Proposal selected for award, UNICEF will award the contract to the joint venture, in the name of its designated lead entity. The lead entity will sign the contract for and on behalf of all other member entities.

3.3 Proposals from Government Organizations. The eligibility of Proposers that are wholly or partly owned by the Government will be subject to UNICEF's further evaluation and review of various factors such as being registered as an independent entity, the extent of Government ownership/share, receipt of subsidies, mandate, access to information in relation to these RFPS documents, and others that may lead to undue advantage against other Proposers, and the eventual rejection of the Proposal.

3.4 Proposals from organizations where the sole proprietor is a former or retired UNICEF/UN staff member. Any organization, whose sole proprietor is a former or retired staff member of UNICEF (or any other United Nations organization), which submits a Proposal must disclose this previous United Nations employment at the time of submission. Any such Proposal will be treated as though the Proposal came from an individual for the purposes of UNICEF's standard conditions on contracting former and retired members of staff.

4.0 Preparation of Offer

4.1 Proposers are responsible to inform themselves in preparing their Proposal. In this regard, the Proposers will ensure that they:

- Examine all terms, requirements and formal submission instructions (e.g. regarding form and timing of submission, marking of envelopes, no price information in technical proposal etc.) included in the RFPS documents (including the Instruction to Proposers section);

- Review the RFPS to ensure that they have a complete copy of all documents;
- Review the standard UNICEF Contractual Provisions and the UNICEF General Terms and Conditions of Contract (Services) for the supply of services publicly available on the UNICEF Supply website: <https://www.unicef.org/supply/resources/procurement-policies>;
- Review the UNICEF policies publicly available on the UNICEF Supply website: <https://www.unicef.org/supply/resources/procurement-policies>. - Attend any bid conference if it is mandatory under this RFPS;
- Fully inform and satisfy themselves as to requirements of any relevant authorities and laws that apply, or may in the future apply, to the supply of the services.

Proposers acknowledge that UNICEF, its directors, employees and agents make no representations or warranties (express or implied) as to the accuracy or completeness of this RFPS or any other information provided to the Proposers.

- 4.2 Failure to meet all requirements and instructions in the RFPS documents or to provide all requested information will be at the Proposer's own risk and may result in rejection of the Proposer's Proposal.
- 4.3 The Proposal must be organized to follow the format of this RFPS. Each Proposer must respond to the stated requests or requirements and indicate that the Proposer understands and confirms acceptance of UNICEF's stated requirements. The Proposer should identify any substantive assumption made in preparing its offer. The deferral of a response to a question or issue to any contract negotiation stage is not acceptable. Any item not specifically addressed in the Proposal will be deemed as accepted by the Proposer. Incomplete or inadequate responses, lack of response or misrepresentation in responding to any questions will affect the evaluation of the Proposal.
- 4.4 All references to descriptive materials should be included in the appropriate Proposal paragraph, though the material/documents themselves may be provided as annexes to the Proposal. The Proposer must also provide sufficient information in the Proposal to address each area of the evaluation criteria as presented in this document to allow a fair assessment of all of the Proposers and their Proposals. It is for UNICEF to determine, in its sole discretion, whether information provided is sufficient.
- 4.5 The completed and signed Request for Proposal for Services Form must be submitted together with the Proposal. The Request for Proposal for Services Form must be signed by a duly authorized representative of the Organization/Company.
- 4.6 Proposals must be clearly marked with the RFP number #LRFP ZIM/2021-9172099 to carry out a National Assessment on Adolescent Pregnancies in Zimbabwe”.
- 4.7 If answer sheets are provided by UNICEF then these must be completed by the Proposer.

4.8 Technical Proposal: The Technical Proposal should address the criteria and requirements outlined in this LRFP, paying particular attention to its Terms of Reference/Statement of Work and its evaluation criteria. It is important to note that UNICEF actively welcomes innovative proposals and original solutions to the stated service need. **NO PRICE INFORMATION SHOULD BE CONTAINED IN THE TECHNICAL PROPOSAL.**

4.9 Price Proposal: The Price Proposal should be prepared in accordance with the requirements contained in the Terms of Reference/Statement of Work for this RFPS.

4.10 Each Proposer acknowledges that its participation in any stage of the solicitation process for this RFPS is at its own risk and cost. The Proposer is responsible for, and UNICEF is not responsible for, the costs of preparing its Proposal or response to this RFPS, attendance at any bid conference, site visit, meetings or oral presentations, regardless of the conduct or outcome of the solicitation process.

5.0 Proposal Documents; Confidentiality

5.1 This RFPS, together with all Proposal documents provided by the Proposer to UNICEF, will be considered the property of UNICEF and Proposals will not be returned to the Proposers.

5.2 Information contained in the Proposal documents, which the Proposer considers to be its confidential information, should be clearly marked "confidential", next to the relevant part of the text, and UNICEF will treat such information accordingly.

5.3 All information and documents provided to the Proposers by UNICEF ("RFPS Materials") shall be treated as confidential by the Proposers. If the Proposer declines to respond to this RFPS, or, if the Proposal is rejected or unsuccessful, the Proposer will promptly return all such RFPS Materials to UNICEF, or destroy or delete all such RFPS Materials. The Proposer shall not use the RFPS Materials for any purpose other than the purpose of preparing a Proposal and shall not disclose the RFPS Materials to any third party, except: (a) with the prior written consent of UNICEF; (b) where the third party is assisting the Proposer in preparing the Proposal, provided the Proposer has previously ensured that party's adherence to this duty of confidentiality; (c) if the relevant RFPS Materials are at the time of this RFPS lawfully in the possession of the Proposer through a party other than UNICEF; (d) if required by law, and provided that the Proposer has previously informed UNICEF in writing of its obligation to disclose the RFPS Materials; or (e) if the RFPS Materials are generally and publicly available other than as a result of breach of confidence by the person receiving the RFPS Materials.

6.0 Multiple proposals and proposals from related organizations

6.1 Proposers shall not submit more than one Proposal as part of this RFPS process.

6.2 If the Proposer is a group of legal entities that will form or have formed a joint venture, consortium or association at the time of the submission of the Proposal then neither the lead entity nor the member entities of the joint venture may submit another Proposal, either in its own capacity or as a lead entity or a member entity for another joint venture submitting another Proposal.

6.3 UNICEF reserves the right to reject separate Proposals submitted by two or more Proposers if the Proposers are related organizations and are found to have any of the following:

- (a) they have at least one controlling partner, director or shareholder in common; or
- (b) any one of them receive or have received any direct or indirect subsidy from the other(s); or
- (c) they have a relationship with each other, that gives one or more Proposers access to confidential information about, or influence over, the other Proposal(s); or
- (d) they are subcontractors to each other's Proposal, or a subcontractor to one Proposal also submits another Proposal under its name as lead Proposer; or
- (e) an expert proposed to be in the team of one Proposer participates in more than one Proposal received for this solicitation process.

PART III -AWARD/ADJUDICATION OF PROPOSALS

1.0. Award

1.1 Proposal Evaluation Process. The evaluation is carried out by UNICEF in accordance with UNICEF's regulations, rules and practices and all determinations are made in UNICEF's sole discretion.

After opening the Proposals, UNICEF will carry out the following steps in the following order:

First, each Proposal will be evaluated for compliance with the mandatory requirements of this RFPS. Proposals deemed not to meet all of the mandatory requirements will be considered non-compliant and rejected at this stage without further consideration. Failure to comply with any of the terms and conditions contained in this RFPS, including, but not limited to, failure to provide all required information, may result in a Proposal being disqualified from further consideration.

Second, UNICEF will evaluate the Technical Proposal part for compliance with the technical requirements stated in this RFPS on the basis of the Proposal evaluation approach set out below.

Third, UNICEF will undertake a commercial evaluation of the Price Proposal part of technically compliant Proposals on the basis of the Proposal evaluation approach set out below.

1.2 Proposal Evaluation Approach.

Weighted scoring evaluation approach

The evaluation criteria will be a split between technical and commercial (price proposal) scores (a [80]/[20] split).

Proposals submitted in response to this RFPS should include and will be evaluated against the following:

- a) Technical Evaluation

Technical Proposal(s) scoring 80% (=Score of 64 out of 80) or more will be listed and included for review of Analysis and Evaluation on the Financial Offer. Only Proposals which receive a minimum of [64] points will be considered further.

Total Maximum [80 Points]

b) Price Proposal (commercial evaluation)

The total amount of points allocated for the price component is [20]. The maximum number of points will be allotted to the lowest price proposal that is opened and compared among those invited firms/institutions which obtain the threshold points in the evaluation of the technical component. All other price proposals will receive points in inverse proportion to the lowest price; e.g.:

Score for price proposal X = (Max. score for price proposal ([20] Points) * Price of lowest priced proposal) / Price of proposal X

Total obtainable Technical and Price points: 100

The Proposer(s) achieving the highest combined technical and price score will be (subject to any negotiations and the various other rights of UNICEF detailed in this RFPS) be awarded the contract(s).

1.3 Multiple Arrangements. UNICEF reserves the right to make multiple arrangements for any service(s) where UNICEF considers it to be in its best interest to do so.

1.4 Negotiation: UNICEF reserves the right to negotiate with the Proposer(s) that has/have attained the best rating/ranking, i.e. those providing the overall best value Proposal.

1.5 Award Notification: UNICEF will only notify the Proposer(s) that has/have been awarded the contract(s) resulting from this solicitation process; UNICEF may, but is not required to, notify the other Proposers of the outcome of this solicitation process.

2. General Terms And Conditions Of Contract (Services)

2.1 UNICEF's General Terms and Conditions of Contract (Services) will apply to any contract(s) awarded in connection with this RFPS. By signing the Request for Proposal for Services Form, each Proposer is deemed to have confirmed its acceptance of the UNICEF General Terms and Conditions

(Services). The Proposer understands that if it proposes any amendments or additional terms to the UNICEF General Terms and Conditions (Services), these must be clearly detailed in the Proposal and may negatively affect the evaluation of the Proposal.

3. Rights of UNICEF

3.1 UNICEF reserves the following rights:

(a) to accept any Proposal, in whole or in part; to reject any or all Proposals; or to cancel this solicitation process in its entirety;

- (b) to verify any information contained in Proposer's response (and the Proposer will provide UNICEF with its reasonable cooperation with such verification);
- (c) to invalidate any Proposal received from a Proposer that, in UNICEF's sole opinion has previously failed to perform satisfactorily or complete contracts on time, or UNICEF believes is not in a position to perform the contract;
- (d) to invalidate any Proposal that, in UNICEF's sole opinion, fails to meet the requirements and instructions stated in this RFPS;
- (e) to suspend negotiations or withdraw an award to a Proposer at any time up until a contract has been signed with such Proposer. UNICEF is not required to provide any justification but will give notice prior to any such suspension of negotiations or withdrawal of award.

3.2 UNICEF is not liable to any Proposer for any costs, expense or loss incurred or suffered by such Proposer in connection with this RFPS or solicitation process, including, but not limited to, any costs, expense or loss incurred as result of UNICEF exercising any of its rights in paragraph 3.1 above.

PART IV - REQUIREMENTS

1. Price and Payment

- 1.1 Price: The fee for the services and deliverables will be treated as inclusive of all costs, expenses, charges or fees that the Proposer may incur in connection with the performance of the work. The Proposer is invited to offer any unconditional discounts. Further, the Proposer may offer early payment discounts, i.e. payment within a specific period of time faster than UNICEF's standard payment terms of 30 days.
- 1.2 Payment Terms: Invoices may be issued to UNICEF only after the services (or components of the services) have been provided and the deliverables (or installments of the deliverables) have been delivered (a) in accordance with the contract and (b) to UNICEF's satisfaction. The standard terms of payment are net 30 days, after receipt of invoice. Payment will be effected by bank transfer in the currency of the contract.

The Proposer will suggest a payment schedule for the contract that is linked to clear milestones and/or deliverables identified in the Terms of Reference/Statement of Work.

1.3 Currency.

- (a) The currency of the Proposal shall be in United States Dollars (USD). UNICEF will reject any proposals submitted in another currency.
- (b) If the above paragraph (a) explicitly permits two or more specified currencies for the Proposals, then for evaluation purposes only, offers submitted in a currency other than US Dollars will be converted into US Dollars using the United Nations rate of exchange in effect on the submission deadline date.

1.4 Taxes: Article II, Section 7, of the Convention on the Privileges and Immunities provides, inter alia, that the United Nations, including UNICEF as a subsidiary organ, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a

similar nature in respect of articles imported or exported for its official use. All prices/rates quoted in the Proposal must be net of any direct taxes and any other taxes and duties, unless otherwise specified in the RFPS documents.

2. Implementation

2.1 No Reliance. Except as expressly set out in the RFPS documents, UNICEF will have no obligation to provide any assistance to the contractor and UNICEF makes no representations as to the availability of any facilities, equipment, materials, systems or licenses which may be helpful or useful for the performance of the work. If the Proposer requires any facilities, equipment, materials, systems or licenses in order to do the work, this must be explicitly detailed in its Proposal.

2.2 Sub-contractors: Proposers must identify in their Proposal, any products which may be offered by themselves, but originate from another supplier and/or country. Further, Proposers must identify in their proposal any planned subcontracting of services. All subcontracting arrangements will be reviewed by UNICEF as part of its evaluation of the Proposal.

2.3 Experts. If so required in the Terms of Reference/Statement of Work each key expert profile requested in the Terms of Reference/Statement of Work must sign an exclusivity and availability statement. The purpose of Exclusivity and Availability Statement is as follows:

- (a) The key experts proposed in the Proposal must not be part of any other Proposer's Proposal being submitted for this RFPS process. They must therefore engage themselves exclusively to the Proposer.
- (b) Each key expert must also undertake to be available, able and willing to work for all the period foreseen for his/her input during the implementation of the contract as indicated in the Terms of Reference/Statement of Work and the Proposal.

Having selected a Proposal partly on the basis of an evaluation of the key experts presented in the Proposal, UNICEF expects the contract to be executed by these specific experts. As the expected date of mobilization is given in the RFPS, UNICEF will only consider substitutions after the deadline for the submission of offers in cases of unexpected delays in the commencement date beyond the control of the Proposer, or exceptionally because of the incapacity of a key expert for health reasons or due to force majeure or other circumstances which may justify a replacement and which would not have any effect on the selection of the Proposal. The desire of a Proposer to use an expert on another project or a change of mind on the part of an expert about the contract will not be accepted as a reason for substitution of any of the key experts.

2.4 Joint Ventures: The description of the organization of the joint venture/consortium/association must clearly define the expected role of each of the entities in the joint venture in delivering the requirements of this RFPS, both in the Proposal and the Joint Venture Agreement. All entities that comprise the joint venture will be subject to the eligibility and qualification assessment by UNICEF.

Where a joint venture is presenting its track record and experience in a similar undertaking as those required in this RFPS, it should present such information in the following manner:

- (i) Those that were undertaken together by the joint venture; and

- (ii) Those that were undertaken by the individual entities of the joint venture expected to be involved in the performance of the services defined in this RFPS.

Previous contracts completed by individual experts working privately but who are permanently or were temporarily associated with any of the member firms cannot be claimed as the experience of the joint venture or those of its members, but should only be claimed by the individual experts themselves in their presentation of their individual credentials.

3. Liquidated Damages

3.1 Liquidated damages. Any contracts awarded in connection with this RFPS will include the following clause on liquidated damages:

"In addition to, and without prejudice to any of the other rights and remedies of UNICEF including, but not limited to, those set out in the UNICEF General Terms and Conditions of Contract (Services), if the Contractor fails to provide the Services or the Deliverables in accordance with the time schedule set out in the Contract, or if UNICEF determines that the Services or Deliverables do not conform to the requirements of the Contract, UNICEF may claim liquidated damages from the Contractor and, at UNICEF's option, the Contractor will pay such liquidated damages to UNICEF or UNICEF will deduct such liquidated damages from the Contractor's invoice(s). Such liquidated damages will be calculated as follows: one half of one per cent (0.5%) of the Contract Fee for the delayed Services and Deliverables for each day of delay, or in the case of a Fee calculated on a time-based rate, one half of one per cent (0.5%) of the time-based rate for all the Contractor Personnel required to provide the relevant Services or Deliverables, until performance of conforming Services or delivery of conforming Deliverables, up to a maximum of ten per cent (10%) of the value of the Contract. The payment or deduction of such liquidated damages will not relieve the Contractor from any of its other obligations or liabilities pursuant to the Contract."

PART V - PROPOSER REPRESENTATIONS

1. Price - Most Favoured Customer

1.1 The Proposer confirms that the fees, rates and charges and related pricing terms with respect to the services specified in the Proposal are the most favourable pricing terms available to any customer of the Proposer (or any of the Proposer's affiliates). If at any time during the term of any contract resulting from the Proposal, any other customer of the Proposer (or of any of the Proposer's affiliates) obtains more favourable pricing terms than those provided to UNICEF, the Proposer will retroactively adjust the fee and related pricing terms under the contract to conform to the more favourable terms and the Proposer will promptly pay UNICEF any amounts owing to UNICEF as a result of such retroactive fee adjustment.

2. General Representations

By submitting its Proposal in response to this RFPS, the Proposer confirms to UNICEF as at the Submission Deadline:

2.1 The Proposer has (a) the full authority and power to submit the Proposal and to enter into any resulting contract, and (b) all rights, licenses, authority and resources necessary, as applicable, to develop, source and supply the services and to perform its other obligations under

any resulting contract. The Proposer has not and will not enter into any agreement or arrangement that restrains or restricts any person's rights to use, sell, dispose of or otherwise deal with any service, deliverable or outcome that may be acquired under any resulting contract.

2.2 All of the information it has provided to UNICEF concerning the services and the Proposer is true, correct, accurate and not misleading.

2.3 The Proposer is financially solvent and is able to supply the services to UNICEF in accordance with the requirements described in this RFPS.

2.4 The use or supply of the services does not and will not infringe any patent, design, trade-name or trade-mark.

2.5 The development and supply of the services has complied, does comply, and will comply with all applicable laws, rules and regulations.

2.6 The Proposer will fulfill its commitments with the fullest regard to the interests of UNICEF and will refrain from any action which may adversely affect UNICEF or the United Nations.

2.7 It has the personnel, experience, qualifications, facilities, financial resources and all other skills and resources to perform its obligations under any resulting contract.

2.8 The Proposer agrees to be bound by the decisions of UNICEF, including but not limited to, decisions as to whether the Proposer's Proposal meets the requirements and instructions stated in this RFPS and the results of the evaluation process.

3. Ethical Standards

UNICEF requires that all Proposers observe the highest standard of ethics during the entire solicitation process, as well as the duration of any contract that may be awarded as a result of this solicitation process. UNICEF also actively promotes the adoption by its suppliers of robust policies for the protection and safeguarding of children and the prevention and prohibition of sexual exploitation and sexual abuse.

By submitting its Proposal in response to this RFPS, the Proposer makes the following representations and warranties to UNICEF as at the Submission Deadline:

3.1 In respect of all aspects of the solicitation process the Proposer has disclosed to UNICEF any situation that may constitute an actual or potential conflict of interest or could reasonably be perceived as a conflict of interest. In particular, the Proposer has disclosed to UNICEF if it or any of its affiliates is, or has been in the past, engaged by UNICEF to provide services for the preparation of the design, specifications, cost analysis/estimation, and other documents to be used for the procurement of the services requested under this RFPS; or if it or any of its affiliates has been involved in the preparation and/or design of the programme/project related to the services requested under this RFPS.

3.2 The Proposer has not unduly obtained, or attempted to unduly obtain, any confidential information in connection with the solicitation process and any contract that may be awarded as a result of this solicitation process.

3.3 No official of UNICEF or of any United Nations System organisation has received from or on behalf of the Proposer, or will be offered by or on behalf of the Proposer, any direct or indirect benefit in connection with this RFPS including the award of the contract to the Proposer. Such direct or indirect benefit includes, but is not limited to, any gifts, favours or hospitality.

3.4 The following requirements with regard to former UNICEF officials have been complied with and will be complied with:

- (a) During the one (1) year period after an official has separated from UNICEF, the Proposer may not make a direct or indirect offer of employment to that former UNICEF official if that former UNICEF official was, during the three years prior to separating from UNICEF, involved in any aspect of a UNICEF procurement process in which the Proposer has participated.
- (b) During the two (2) year period after an official has separated from UNICEF, that former official may not, directly or indirectly on behalf of the Proposer, communicate with UNICEF, or present to UNICEF, about any matters that were within such former official's responsibilities while at UNICEF.

3.5 Neither the Proposer nor any of its affiliates, or personnel or directors, is subject to any sanction or temporary suspension imposed by any United Nations System organisation or other international inter-governmental organisation. The Proposer will immediately disclose to UNICEF if it or any of its affiliates, or personnel or directors, becomes subject to any such sanction or temporary suspension during the term of the contract. If the Proposer or any of its affiliates, or personnel or directors becomes subject to any such sanction or temporary suspension during the term of any resulting contract, UNICEF will be entitled to suspend the contract for a period of time up to thirty (30) days or terminate the contract, at its sole choice, with immediate effect upon delivery of a written notice of suspension or termination, as the case may be, to the Proposer. If UNICEF chooses to suspend the contract it will be entitled to terminate the contract at the end of the thirty (30) days' suspension at UNICEF's sole choice.

3.6 The Proposer will (a) observe the highest standard of ethics; (b) use its best efforts to protect UNICEF against fraud, in the solicitation process and in the performance of any resulting contract; and (c) comply with the applicable provisions of UNICEF's Policy Prohibiting and Combatting Fraud and Corruption which can be accessed on the UNICEF website at <https://www.unicef.org/supply/resources/procurement-policies>. In particular, the Proposer will not engage, and will ensure that its personnel, agents and sub-contractors do not engage, in any corrupt, fraudulent, coercive, collusive or obstructive conduct as such terms are defined in UNICEF's Policy Prohibiting and Combatting Fraud and Corruption.

3.7 The Proposer will comply with all laws, ordinances, rules and regulations bearing upon its participation in this solicitation and the UN Supplier Code of Conduct (available at the United Nations Global Marketplace website - www.ungm.org).

3.8 Neither the Proposer nor any of its affiliates, is engaged, directly or indirectly, (a) in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child,

including Article 32, or the International Labour Organisation's Convention Concerning the Prohibition and Immediate Action for the Elimination of the Worst Forms of Child Labour, No. 182 (1999); or (b) in the manufacture, sale, distribution, or use of anti-personnel mines or components utilised in the manufacture of anti-personnel mines.

For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, will constitute the sexual exploitation and abuse of such person. The Proposer has taken and will take all appropriate measures to prohibit its personnel including its employees or other persons engaged by the Proposer, from exchanging any money, goods, services, or other things of value, for sexual favours or activities or from engaging in any sexual activities that are exploitive or degrading to any person.

3.10 The Proposer confirms that it has read UNICEF's Policy on Conduct Promoting the Protection and Safeguarding of Children. The Proposer will ensure that its Personnel understand the notification requirements expected of them and will establish and maintain appropriate measures to promote compliance with such requirements. The Proposer will further cooperate with UNICEF's implementation of this Policy.

3.11 The Proposer will inform UNICEF as soon as it becomes aware of any incident or report that is inconsistent with the undertakings and confirmations provided in this Article 3.

3.12 Each of the provisions in this Article 3 of Part V constitutes an essential condition of participation in this solicitation process. In the event of a breach of any of these provisions, UNICEF is entitled to disqualify the Proposer from this solicitation process and/or any other solicitation process, and to terminate any contract that may have been awarded as a result of this solicitation process, immediately upon notice to the Proposer, without any liability for termination charges or any liability of any kind. In addition, the Proposer may be precluded from doing business with UNICEF and any other entity of the United Nations System in the future.

4. Audit

4.1 From time to time, UNICEF may conduct audits or investigations relating to any aspect of a contract awarded in relation to this RFPS, including but not limited to the award of the contract and the Proposer's compliance with the provisions of Article 3 above. The Proposer will provide its full and timely cooperation with any such audits or investigations, including (but not limited to) making its personnel and any relevant data and documentation available for the purposes of such audits or investigations, at reasonable times and on reasonable conditions, and granting UNICEF and those undertaking such audits or investigations access to the Proposer's premises at reasonable times and on reasonable conditions in connection with making its personnel and any relevant data and documentation available. The Proposer will require its sub-contractors and its agents to provide reasonable cooperation with any audits or investigations carried out by UNICEF.

GENERAL TERMS AND CONDITIONS OF CONTRACT (Goods)

Definitions and UNICEF Supply Website

1.1 In these General Terms and Conditions (Goods), the following terms have the following meaning:

"Affiliates" means, with respect to the Supplier, any of its corporate affiliates or associates, including parent entities, subsidiaries, and other entities in which it owns a substantial interest.

"Confidential Information" means information or data that is designated as confidential at the time of exchange between the Parties or promptly identified as confidential in writing when furnished in intangible form or disclosed orally, and includes information, the confidential or proprietary nature of which is or should be reasonably apparent from the inherent nature, quality or characteristics of such information.

"Consignee" means the consignee designated in the Contract.

"Contract" means the purchase contract that incorporates these General Terms and Conditions (Goods). It includes purchase orders issued by UNICEF, whether or not they are issued under a long-term arrangement or similar contract.

"Goods" means the goods specified in the relevant section of the Contract.

"Host Government" means a Government with which UNICEF has a programme of development cooperation, and includes a Government of a country in which UNICEF provides humanitarian assistance.

"INCOTERMS" means the international commercial terms known as the INCOTERMS rules, issued by the International Chamber of Commerce, most-recently issued at the effective date of the Contract. References in the Contract to trade terms (such as "FCA", "DAP" and "CIP") are references to those terms as defined by the INCOTERMS.

"Parties" means the Contractor and UNICEF together and a "Party" means each of the Contractor and UNICEF.

Supplier's "Personnel" means the Supplier's officials, employees, agents, individual sub-contractors and other representatives.

"Price" is defined in Article 3.1.

"Supplier" is the supplier named in the Contract.

"UNICEF Supply Website" means UNICEF's public access webpage available at http://www.unicef.org/supply/index_procurement_policies.html, as may be updated from time to time.

1.2 These General Terms and Conditions of Contract, UNICEF's Policy Prohibiting and Combatting Fraud and Corruption, the UNICEF's Policy on Conduct Promoting the Protection and Safeguarding of Children, the UN Supplier Code of Conduct, and UNICEF's Information Disclosure Policy referred to in the Contract, as well as other policies applicable to the Supplier, are publicly available on the UNICEF Supply Website. The Supplier represents that it has reviewed all such policies as of the effective date of the Contract.

2. Delivery; Inspection; Risk of Loss

2.1 The Supplier will deliver the Goods to the Consignee at the place and within the time period for delivery stated in the Contract. The Supplier will comply with the

INCOTERM or similar trade term expressly stated in the Contract as applying to the Goods to be supplied under the Contract and all other delivery terms and instructions stated in the Contract. Notwithstanding any INCOTERM, the Supplier will obtain any export licences required for the Goods. The Supplier will ensure that UNICEF receives all necessary transport documents in a timely manner so as to enable UNICEF to take delivery of the Goods in accordance with the requirements of the Contract. The Supplier will neither seek nor accept instructions from any entity other than UNICEF (or entities authorized by UNICEF to give instructions to the Supplier) in connection with the supply and delivery of the Goods.

2.2 The Supplier will use its best efforts to accommodate reasonable requests for changes (if any) to the requirements for the Goods (such as packaging, packing and labeling requirements), shipping instructions or delivery date of the Goods set out in the Contract. If UNICEF requests any material change to the requirements for the Goods, shipping instructions or delivery date, UNICEF and the Supplier will negotiate any necessary changes to the Contract, including as to Price and the time schedule. Any such agreed changes will become effective only when they are set out in a written amendment to the Contract signed by both UNICEF and the Supplier. Should the Parties fail to agree on any such changes within thirty (30) days, UNICEF will have the option to terminate the Contract without penalty notwithstanding any other provision of the Contract.

2.3 The Supplier acknowledges that UNICEF may monitor the Supplier's performance under the Contract. The Supplier agrees to provide its full cooperation with such performance monitoring, at no additional cost or expense to UNICEF, and provide relevant information as reasonably requested by UNICEF, including, but not limited to, the date of receipt of the Contract, detailed delivery status, costs to be charged and payments made by UNICEF or pending.

Inspection

2.4 UNICEF or the Consignee (if different from UNICEF) will have a reasonable time to inspect the Goods after delivery. At UNICEF's request, the Supplier will provide its reasonable cooperation to UNICEF or the Consignee with regard to such inspection, including but not limited to access to production data, at no charge. The Supplier acknowledges that any inspection of the Goods by or on behalf of UNICEF or the Consignee does not constitute a determination that the specifications for the Goods set out in the Contract (including the mandatory technical requirements) have or have not been met. The Supplier will be required to comply with its warranty and other contractual obligations whether or not UNICEF or the Consignee carries out an inspection of the Goods.

Delivery not Acceptance; Consequences of Delayed Delivery and Non-conforming Goods

2.5 If the Supplier determines it will be unable to deliver all or some of the Goods to the Consignee by the delivery date(s) stipulated in the Contract, the Supplier will (a) immediately consult with UNICEF to determine the most expeditious means for delivering the Goods; and (b) use an expedited means of delivery, at the Supplier's cost (unless the delay is due to force majeure as defined in Article 6.7 below), if reasonably requested by UNICEF to do so. Partial deliveries of Goods will not be accepted unless prior written approval for such partial delivery has been given by UNICEF to the Supplier.

2.6 Delivery of the Goods will not constitute acceptance of the Goods. If some or all of the Goods do not conform to the requirements of the Contract or if the Supplier delivers the Goods late or fails to deliver the Goods (or any part of the Goods) in accordance with the agreed delivery dates and delivery terms and instructions, UNICEF may, without prejudice to any of its other rights and remedies, exercise one or more of the following rights under the Contract at UNICEF's option:

- (a) UNICEF can reject and refuse to accept any or all of the Goods (including those that do conform to the Contract). If UNICEF rejects the Goods, the Supplier will, at its own cost, arrange for the prompt return of the rejected Goods and, at UNICEF's option, the Supplier will promptly replace the rejected Goods with Goods of equal or better quality (and will be responsible for all costs related to such replacement) or UNICEF may exercise its other rights set out below;
- (b) UNICEF may procure all or part of the Goods from other sources, in which case the Supplier will be responsible for any additional costs beyond the balance of the Price for such Goods;
- (c) Upon UNICEF's demand, the Supplier will refund all payments (if any) made by UNICEF in respect of the rejected Goods or the Goods that have not been delivered in accordance with the delivery dates and delivery terms;

(d) UNICEF can give written notice of breach and, if the Supplier fails to remedy the breach, can terminate the Contract in accordance with Article 6.1 below;

(e) UNICEF can require the Supplier to pay liquidated damages as set out in the Contract.

2.7 Further to Article 11.6 below, the Supplier expressly acknowledges that if, in respect of any consignment, UNICEF takes delivery of all or some of the Goods that have been delivered late or otherwise not in full compliance with the delivery terms and instructions or that are not in full conformity with the requirements of the Contract, this does not constitute a waiver of UNICEF's rights in respect of such late delivery or non-compliant Goods.

Risk of Loss; Title to Goods

2.8 Risk of loss, damage to or destruction of Goods supplied under the Contract, and responsibility for arranging and paying for freight and insurance, will be governed by the INCOTERM or similar trade term expressly stated in the Contract as applying to the Goods supplied under the Contract and any other express terms of the Contract. In the absence of any such INCOTERM or similar trade term or other express terms, the following provisions will apply: (a) the entire risk of loss, damage to or destruction of the Goods will be borne exclusively by the Supplier until physical delivery of the Goods to the Consignee has been completed in accordance with the Contract; and (b) the Supplier will be solely liable for making all transport arrangements and for payment of freight and insurance costs for the shipment and delivery of the Goods in accordance with the requirements of the Contract.

2.9 Unless otherwise expressly provided in the Contract, title in and to the Goods will pass from the

Supplier to the Consignee upon delivery of the Goods in accordance with the applicable delivery terms and acceptance of the Goods in accordance with the Contract.

3. Price; Invoicing; Tax Exemption; Payment Terms

3.1 The price for the Goods is the amount specified in the price section of the Contract (the "Price"), it being understood that such amount is specified in United States dollars unless otherwise expressly provided for in the price section of the Contract. The Price includes the cost of packaging and packing the Goods in accordance with the requirements of the Contract and delivery in accordance with the applicable delivery terms. The Price is inclusive of all costs, expenses, charges or fees that the Supplier may incur in connection with the performance of its obligations under the Contract; provided that, without prejudice to or limiting the provisions of Article 3.3 below, all duties and other taxes imposed by any authority or entity must be separately identified. It is understood and agreed that the Supplier will not request any change to the Price after delivery of the Goods by the Supplier and that the Price cannot be changed except by written agreement between the Parties before the Goods are delivered.

3.2 The Supplier will issue invoices to UNICEF only after the Supplier has fulfilled the delivery terms of the Contract. The Supplier will issue (a) one (1) invoice in respect of the payment being sought, in the currency specified in the Contract and in English, indicating the Contract identification number listed on the front page of the Contract; and (b) copies of the shipping documents and other supporting documents as specified in the Contract.

3.3 The Supplier authorizes UNICEF to deduct from the Supplier's invoices any amount representing direct taxes (except charges for utilities services) and customs restrictions, duties and charges of a similar nature in respect of articles imported or exported for UNICEF's official use, in accordance with the exemption from tax in Article II, Section 7 of the Convention of the Privileges and Immunities of the United Nations, 1946. In the event any governmental authority refuses to recognize this exemption from taxes, restrictions, duties or charges, the Supplier will immediately consult with UNICEF to determine a mutually acceptable procedure. The Supplier will provide full cooperation to UNICEF with regard to securing UNICEF's exemption from, or refund of amounts paid as, value-added taxes or taxes of a similar nature.

3.4 UNICEF will notify the Supplier of any dispute or discrepancy in the content or form of any invoice. With respect to disputes regarding only a portion of such invoice, UNICEF will pay the Supplier the amount of the undisputed portion in accordance with Article 3.5 below. UNICEF and the Supplier will consult in good faith to

promptly resolve any dispute with respect to any invoice. Upon resolution of such dispute, any amounts that have not been charged in accordance with the Contract will be deducted from the invoice(s) in which they appear and UNICEF will pay any agreed remaining items in the invoice(s) in accordance with Article 3.5 within thirty (30) days after the final resolution of such dispute.

3.5 UNICEF will pay the uncontested amount of the Supplier's invoice within thirty (30) days of receiving both the invoice and the shipping documents and other supporting documents, as referred to in Article 3.2 above. The amount paid will reflect any discount(s) shown under the payment terms of the

Contract. The Supplier will not be entitled to interest on any late payment or any sums payable under the Contract nor any accrued interest on payments withheld by UNICEF in connection with a dispute. Payment will not relieve the Supplier of its obligations under the Contract. Payment will not be deemed acceptance of the Goods or waiver of any rights with regard to the Goods.

3.6 Each invoice will confirm the Supplier's bank account details provided to UNICEF as part of the Supplier's registration process with UNICEF. All payments due to the Supplier under the Contract will be made by electronic funds transfer to that bank account. It is the Supplier's responsibility to ensure that the bank details supplied by it to UNICEF are up-to-date and accurate and notify UNICEF in writing by an authorized representative of the Supplier of any changes in bank details together with supporting documentation satisfactory to UNICEF.

3.7 The Supplier acknowledges and agrees that UNICEF may withhold payment in respect of any invoice if, in UNICEF's opinion, the Supplier has not performed in accordance with the terms and conditions of the Contract, or if the Supplier has not provided sufficient documentation in support of the invoice.

3.8 UNICEF will have the right to set off against any amount or amounts due and payable by UNICEF to the Supplier under the Contract, any payment, indebtedness or other claim (including, without limitation, any overpayment made by UNICEF to the Supplier) owing by the Supplier to UNICEF under the Contract or under any other contract or agreement between the Parties. UNICEF will not be required to give the Supplier prior notice before exercising this right of set-off (such notice being waived by the Supplier). UNICEF will promptly notify the Supplier after it has exercised such right of set-off, explaining the reasons for such set-off, provided however that the failure to give such notification will not affect the validity of such set-off.

3.9 Each of the invoices paid by UNICEF may be subject to a post-payment audit by UNICEF's external and internal auditors or by other authorised agents of UNICEF, at any time during the term of the Contract and for three (3) years after the Contract terminates. UNICEF will be entitled to a refund from the Supplier of amounts such audit or audits determine were not in accordance with the Contract regardless of the reasons for such payments (including but not limited to the actions or inactions of UNICEF staff and other personnel).

4. Representations and Warranties; Indemnification; Insurance

Representations and Warranties

4.1 The Supplier represents and warrants that as of the effective date and throughout the term of the Contract: (a) it has the full authority and power to enter into the Contract and to perform its obligations under the Contract and the Contract is a legal, valid and binding obligation, enforceable against it in accordance with its terms; (b) it has, and will maintain throughout the term of the Contract, all rights, licenses, authority and resources necessary, as applicable, to develop, source, manufacture and supply the Goods and to perform its other obligations under the Contract; (c) all of the information concerning the Goods and the Supplier that it has previously provided to UNICEF, or that it provides to UNICEF during the term of the Contract, is true, correct, accurate and not misleading; (d) it is financially solvent and is able to supply the Goods to UNICEF in accordance with the terms and conditions of the Contract; (e) the use or supply of the Goods does not and will not infringe any patent, design, trade-name or trade-mark; (f) it has not and will not enter into any agreement or arrangement that restrains or restricts any person's rights to use, sell, dispose of or otherwise deal with the Goods; and (g) the development, manufacture and supply of the Goods is, and will continue to be, in compliance with all applicable laws, rules and regulations. The Supplier will fulfill its commitments with the fullest regard to the interests of UNICEF and will refrain from any action which may adversely affect UNICEF or the United Nations.

- 4.2 The Supplier further represents and warrants that the Goods (including packaging):
- (a) conform to the quality, quantity and specifications for the Goods stated in the Contract (including, in the case of perishable or pharmaceutical products, the shelf life specified in the Contract); (b) conform in all respects to the technical documentation provided by the Supplier in respect of such Goods and, if samples were provided to UNICEF prior to entering into the Contract, are equal and comparable in all respects to such samples; (c) are new and factory-packed; (d) are fit for the purposes for which such goods are ordinarily used and for purposes expressly made known to the Supplier by UNICEF in the Contract; (e) are of consistent quality and free from faults and defects in design, manufacture, workmanship and materials; (f) are free from all liens, encumbrances or other third party claims; and (g) are contained or packaged in accordance with the standards of export packaging for the type and quantities of the Goods specified in the Contract, and for the modes of transport of the Goods specified in the Contract (including but not limited to, in a manner adequate to protect them in such modes of transport), and marked in a proper manner in accordance with the instructions stipulated in the Contract and applicable law.
- 4.3 The warranties provided in Article 4.2 will remain valid for the warranty period specified in the Contract; provided that (a) the warranty period for pharmaceutical goods or other perishable products will be no less than the shelf-life of those Goods specified in the Contract; and (b) if no warranty period or shelf-life is specified in the Contract, the warranties will remain valid from the date the Supplier signs the Contract until the day twelve (12) months after fulfillment of the delivery terms or such later date as may be prescribed by law.
- 4.4 If the Supplier is not the original manufacturer of the Goods or any part of the Goods, the Supplier assigns to UNICEF (or, at UNICEF's instructions, the Government or other entity that receives the Goods) all manufacturers' warranties in addition to any other warranties under the Contract.
- 4.5 The representations and warranties made by the Supplier in Articles 4.1 and 4.2 and the Supplier's obligations in Articles 4.3 and 4.4 above are made to and are for the benefit of (a) each entity that makes a direct financial contribution to the purchase of Goods; and (b) each Government or other entity that receives the Goods.

Indemnification

- 4.6 The Supplier will indemnify, hold and save harmless and defend, at its own expense, UNICEF, its officials, employees, consultants and agents, each entity that makes a direct financial contribution to the purchase of the Goods and each Government or other entity that receives the Goods, from and against all suits, claims, demands, losses and liability of any nature or kind, including their costs and expenses, by a third party and arising out of the acts or omissions of the Supplier or its Personnel or sub-contractors in the performance of the Contract. This provision will extend to but not be limited to (a) claims and liability in the nature of workers' compensation; (b) product liability; and (c) any actions or claims pertaining to the alleged infringement of a patent, design, trade-name or trade-mark arising in connection with the Goods or other liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property provided or licensed to UNICEF under the Contract or used by the Supplier, its Personnel or sub-contractors in the performance of the Contract.
- 4.7 UNICEF will report any such suits, proceedings, claims, demands, losses or liability to the Supplier within a reasonable period of time after having received actual notice. The Supplier will have sole control of the defence, settlement and compromise of any such suit, proceeding, claim or demand except with respect to the assertion or defence of the privileges and immunities of UNICEF or any matter relating to

UNICEF's privileges and immunities (including matters relating to UNICEF's relations with Host Governments), which as between the Supplier and UNICEF, only UNICEF itself (or relevant governmental entities) will assert and maintain. UNICEF will have the right, at its own expense, to be represented in any such suit, proceeding, claim or demand by independent counsel of its own choosing.

Insurance

- 4.8 The Supplier will comply with the following insurance requirements:

- (a) The Supplier will have and maintain in effect with reputable insurers and in sufficient amounts, insurance against all of the Supplier's risks under the Contract (including, but not limited to, the risk of claims arising out of or related to the Supplier's performance of the Contract), including the following:
 - (i) Insurance against all risks in respect of its property and any equipment used for the performance of the Contract;
 - (ii) General liability insurance against all risks in respect of the Contract and claims arising out of the Contract including, but not limited to, product liability insurance, in an adequate amount to cover all claims arising from or in connection with the Supplier's performance under the Contract. The Supplier's product liability insurance will cover the direct and indirect financial consequences of liability (including all costs, including replacement costs, related to recall campaigns) sustained by UNICEF or third parties as a result of or relating to the Goods;
 - (iii) All appropriate workers' compensation and employer's liability insurance, or its equivalent, with respect to its Personnel and sub-contractors to cover claims for death, bodily injury or damage to property arising from the performance of the Contract; and
 - (iv) Such other insurance as may be agreed upon in writing between UNICEF and the Supplier.
- (b) The Supplier will maintain the insurance coverage referred to in Article 4.8(a) above during the term of the Contract and for a period after the Contract terminates extending to the end of any applicable limitations period with regard to claims against which the insurance is obtained.
- (c) The Supplier will be responsible to fund all amounts within any policy deductible or retention.
- (d) Except with regard to the insurance referred to in paragraph (a)(iii) above, the insurance policies for the Supplier's insurance required under this Article 4.8 will (i) name UNICEF as an additional insured; (ii) include a waiver by the insurer of any subrogation rights against UNICEF; and (iii) provide that UNICEF will receive thirty (30) days' written notice from the insurer prior to any cancellation or change of coverage.
- (e) The Supplier will, upon request, provide UNICEF with satisfactory evidence of the insurance required under this Article 4.8.
- (f) Compliance with the insurance requirements of the Contract will not limit the Supplier's liability either under the Contract or otherwise.

Liability

- 4.9 The Supplier will pay UNICEF promptly for all loss, destruction or damage to UNICEF's property caused by the Supplier's Personnel or sub-contractors in the performance of the Contract.

5. Intellectual Property and Other Proprietary Rights; Confidentiality

Intellectual Property and Other Proprietary Rights

5.1 Unless otherwise expressly provided for in the Contract:

- (a) Subject to paragraph (b) of this Article 5.1, UNICEF will be entitled to all intellectual property and other proprietary rights with regard to products, processes, inventions, ideas, know-how, data or documents and other materials ("Contract Materials") that (i) the Supplier develops for UNICEF under the Contract and which bear a direct relation to the Contract or (ii) are produced, prepared or collected in consequence of, or during the course of, the performance of the Contract. The term "Contract Materials" includes, but is not limited to, all maps, drawings, photographs, plans, reports, recommendations, estimates, documents developed or received by, and all other data compiled by or received by, the Supplier under the Contract. The Supplier acknowledges and agrees that Contract Materials constitute works made for hire for UNICEF. Contract Materials will be treated as UNICEF's Confidential Information and will be delivered only to authorized UNICEF officials on expiry or termination of the Contract.

- (b) UNICEF will not be entitled to, and will not claim any ownership interest in, any intellectual property or other proprietary rights of the Supplier that pre-existed the performance by the Supplier of its obligations under the Contract, or that the Supplier may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract. The Supplier grants to UNICEF a perpetual license to use such intellectual property or other proprietary rights solely for the purposes of and in accordance with the requirements of the Contract.

(c) At UNICEF's request, the Supplier will take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring (or, in the case, intellectual property referred to in paragraph (b) above, licensing) them to UNICEF in compliance with the requirements of the applicable law and of the Contract.

Confidentiality

5.2 Confidential Information that is considered proprietary by either Party or that is delivered or disclosed by one Party ("Discloser") to the other Party ("Recipient") during the course of performance of the Contract will be held in confidence by the Recipient. The Recipient will use the same care and discretion to avoid disclosure of the Discloser's Confidential Information as the Recipient uses for its own Confidential Information and will use the Discloser's Confidential Information solely for the purpose for which it was disclosed to the Recipient. The Recipient will not disclose the Discloser's Confidential Information to any other party:

- (a) except to those of its Affiliates, employees, officials, representatives, agents and sub-contractors who have a need to know such Confidential Information for purposes of performing obligations under the Contract; or
- (b) unless the Confidential Information (i) is obtained by the Recipient from a third party without restriction; (ii) is disclosed by the Discloser to a third party without any obligation of confidentiality; (iii) is known by the Recipient prior to disclosure by the Discloser; or (iv) at any time is developed by the Recipient completely independently of any disclosures under the Contract.

5.3 If the Supplier receives a request for disclosure of UNICEF's Confidential Information pursuant to any judicial or law enforcement process, before any such disclosure is made the Supplier (a) will give UNICEF sufficient notice of such request in order to allow UNICEF to have a reasonable opportunity to secure the intervention of the relevant national Government to establish protective measures or take such other action as may be appropriate; and (b) will so advise the relevant authority that requested disclosure. UNICEF may disclose the Supplier's Confidential Information to the extent required pursuant to resolutions or regulations of its governing bodies.

5.4 The Supplier may not communicate at any time to any other person, Government or authority external to UNICEF, any information known to it by reason of its association with UNICEF that has not been made public, except with the prior authorization of UNICEF; nor will the Supplier at any time use such information to private advantage.

End of Contract

5.5 Upon the expiry or earlier termination of the Contract, the Supplier will:

- (a) return to UNICEF all of UNICEF's Confidential Information or, at UNICEF's option, destroy all copies of such information held by the Supplier or its sub-contractors and confirm such destruction to UNICEF in writing; and
 - (b) will transfer to UNICEF all intellectual and other proprietary information in accordance with Article 5.1(a).
6. Termination; Force Majeure

Termination by Either Party for Material Breach

6.1 If one Party is in material breach of any of its obligations under the Contract, the other Party can give it written notice that within thirty (30) days of receiving such notice the breach must be remedied (if such breach is capable of remedy). If the breaching Party does not remedy the breach within the thirty (30) days' period or if the breach is not capable of remedy, the non-breaching Party can terminate the Contract. The termination will be effective thirty (30) days after the non-breaching Party gives the breaching Party written notice of termination. The initiation of conciliation or arbitral proceedings in accordance with Article 9 (Privileges and Immunities; Settlement of Disputes) below will not be grounds for termination of the Contract.

Additional Termination Rights of UNICEF

6.2 In addition to the termination rights under Article 6.1 above, UNICEF can terminate the Contract with immediate effect upon delivery of a written notice of termination, without any liability for termination charges or any other liability of any kind:

- (a) in the circumstances described in, and in accordance with, Article 7 (Ethical Standards); or
- (b) if the Supplier breaches any of the provisions of Articles 5.2-5.4 (Confidentiality); or
- (c) if the Supplier (i) is adjudged bankrupt, or is liquidated, or becomes insolvent, or applies for a moratorium or stay on any payment or repayment obligations, or applies to be declared insolvent; (ii) is granted a moratorium or a stay, or is declared insolvent; (iii) makes an assignment for the benefit of one or more of its creditors; (iv) has a receiver appointed on account of the insolvency of the Supplier; (v) offers a settlement in lieu of bankruptcy or receivership; or (vi) has become, in UNICEF's reasonable judgment, subject to a materially adverse change in its financial condition that threatens to substantially affect the ability of the Supplier to perform any of its obligations under the Contract.

6.3 In addition to the termination rights under Articles 6.1 and 6.2 above, UNICEF can terminate the Contract at any time by providing written notice to the Supplier in any case in which UNICEF's mandate applicable to the performance of the Contract or UNICEF's funding applicable to the Contract is curtailed or terminated, whether in whole or in part. UNICEF can also terminate the Contract upon sixty (60) days' written notice to the Supplier without having to provide any justification.

6.4 As soon as it receives a notice of termination from UNICEF, the Supplier will immediately take steps to cease provision of the Goods in a prompt and orderly manner and to minimize costs and will seek instructions from UNICEF regarding Goods in transit (if any) and will not undertake any further or additional commitments as of and following the date it receives the termination notice. In addition, the Supplier will take any other action that may be necessary, or that UNICEF may direct in writing, for the minimization of losses and for the protection and preservation of any property (whether tangible or intangible) related to the Contract that is in the possession of the Supplier and in which UNICEF has or may be reasonably expected to acquire an interest.

6.5 If the Contract is terminated, no payment will be due from UNICEF to the Supplier except for Goods delivered in accordance with the requirements of the Contract and only if such Goods were ordered, requested or otherwise provided prior to the Supplier's receipt of notice of termination from UNICEF or, in the case of termination by the Supplier, the effective date of such termination. The Supplier will have no claim for any further payment beyond payments in accordance with this Article 6.5, but will remain liable to UNICEF for all loss or damages which may be suffered by UNICEF by reason of the Supplier's default (including but not limited to cost of the purchase and delivery of replacement or substitute goods).

6.6 The termination rights in this Article 6 are in addition to all other rights and remedies of UNICEF under the Contract.

Force Majeure

6.7 If one Party is rendered permanently unable, wholly or in part, by reason of force majeure to perform its obligations under the Contract, the other Party may terminate the Contract on the same terms and conditions as are provided for in Article 6.1 above, except that the period of notice will be seven (7) days instead of thirty (30) days. "Force majeure" means any unforeseeable and irresistible events arising from causes beyond the control of the Parties, including acts of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism or other acts of a similar nature or force. "Force majeure" does not include (a) any event which is caused by the negligence or intentional action of a Party; (b) any event which a diligent party could reasonably have been expected to take into account and plan for at the time the Contract was entered into; (c) the insufficiency of funds, inability to make any payment required under the Contract, or any economic conditions, including but not limited to inflation, price escalations, or labour availability; or (d) any event resulting from harsh conditions or logistical challenges for the Supplier (including civil unrest) associated with locations at which UNICEF is operating or is about to operate or is withdrawing from, or any event resulting from UNICEF's humanitarian, emergency, or similar response operations.

7. Ethical Standards

7.1 The Supplier will be responsible for the professional and technical competence of its Personnel including its employees and will select, for work under the Contract, reliable individuals who will perform effectively in the implementation of the Contract, respect the local laws and customs, and conform to a high standard of moral and ethical conduct.
