

No. 1	RFP section reference	Question	Answers
1	Section 3.3.3	Could you please clarify whether the timelines mentioned under section 3.3.3 refer to calendar or working days, i.e. whether the 150 days refer to 21.5 weeks (calendar) or to 30 weeks (working)?	The timelines mentioned under section 3.3.3 refer to calendar days
2	Section 3.3.3	Could you please further specify the timeframe for the assignment, i.e. between which month and which month should the assignment be carried out?	The timeframe for the assignment is anticipated to take place from mid-March – mid-August. However, this will be flexible depending on when the contract is finalized, and the work can commence.
3	Enter text	Could you please provide an indication of the number of partners formally involved in Network activities (e.g. TWGs, academic institutions, etc.), either per country or as a total for the Network?	The main partners involved at the global level is around 8-10. However, at country level this depends as specific countries will have larger TWG involving more partners than others. But usually not more than 10.
	Section 3.3.1	Could you please specify what is required of the contractor for “Objective 6: Other”?	This relates to any additional suggestions from the contractor
	Section 3.3.3	Could you please clarify what is expected for “other	This relates to any other technical or advocacy products, such as

		dissemination products”?	technical knowledge briefs etc.
