1. Description of Requirements

The World Health Organization (WHO) invites vendors to submit an Expression of Interest (EOI) for **Coverage Evaluation Survey for the Implementation of Mass Drugs Administration with Alternative PC Regimen (Ivermectin, Diethylcarbamazine, and Albendazole) in Mamuju, Manowari Selatan, Kaimana, Biak Numfor, and Kota Sorong Districts** which address the following objectives:

- a. To estimate PC coverage – to obtain a precise estimate of PC coverage that can be compared with the target coverage threshold to determine if the MDA was effective.
- b. To validate reported coverage – to check the accuracy of the data recording and reporting system and take corrective actions where necessary.
- c. To identify reasons for non-compliance – by identifying common reasons for not swallowing the drugs, programme managers can improve social mobilization prior to the next MDA round.
- d. To detect problems with the supply chain and distribution systems – can identify clusters of individuals for whom the drugs were never offered and corrective action can be taken.
- e. To measure coverage in specific population: subpopulations, e.g.. Rural vs. urban.

WHO intends to invite selected vendors to participate in a formal solicitation, via a Request for Proposals (RFP), at a later stage, for the above requirements. Complete details of the requirements will be included in the solicitation documents.

2. Minimum Criteria for Vendors
