# Earthworks Plan

Site Section A-A is a cross-section drawing of the proposed development. It shows Building 2, a single-story structure with a flat roof and large windows, situated on a slight rise. The building is labeled with a height of 1021.600. To the right of the building is a driveway and parking area. The ground surface is shown with a dashed line indicating the Natural Ground Line (N.G.L.). The section is bounded by vertical lines labeled LE-C and LE-A. The site boundary is indicated on the right side. The drawing is titled 'SITE-SECTION A-A' and includes a scale of 1 : 200.

SITE BOUNDARY

Site Section C-C  
1 : 200

Labels: TB-B, TB-A, LC-C, LC-A, N.G.L., BUILDING 4 1019.500, DRIVEWAY & PARKING, SITE BOUNDARY.

Site Section D-D is a cross-section view of the site. It shows three buildings: Building 9 (1019.080), Building 10 (1018.980), and Building 11 (1018.800). A driveway and parking area are located to the right of Building 11. The site boundary is indicated on the right. The section is labeled 'SITE-SECTION D-D' and '1 : 200'. The ground level is marked as 'N.G.L.' (Natural Ground Level). The section is also labeled with 'TB-B', 'TB-A', 'LB-C', and 'LB-A' at the top, indicating specific locations or features.

Architectural site section E-E showing buildings 6, 7, 10, and 12. The section is drawn on a sloping ground profile with a dashed line indicating the Natural Ground Level (N.G.L.).

- BUILDING 12** is located on the left, with an elevation of 1021.060.
- BUILDING 7** is located next, with an elevation of 1019.600.
- BUILDING 10** is located next, with an elevation of 1018.980.
- BUILDING 6** is located on the right, with an elevation of 1019.100.

Section markers are indicated by circles above the section line: AB-B, AB-A, LA-C, and LA-A.

A **DRIVEWAY & PARKING** area is shown to the right of Building 6.

The **SITE BOUNDARY** is indicated by a vertical line on the far right.

**SITE-SECTION E-E**  
1 : 200

Architectural site-section F-F showing buildings 1 through 6 and 11. The section is oriented horizontally with grid lines S1-7 and S2-1. Buildings are labeled with their names and elevations: BUILDING 6 (1019.100), BUILDING 5 (1018.550), BUILDING 4 (1019.500), BUILDING 11 (1018.800), BUILDING 3 (1020.100), BUILDING 2 (1021.600), and BUILDING 1 (1021.850). The ground level is marked as N.G.L. (Not to Scale). The section shows the internal structure and roof profile of the buildings.
