

### Amendment 3 of 3 to the Call for Proposals (CFP)

**Project Title:** Program Management, Coordination, and Support in implementation of Assistive Technology (AT) activities to the Ministry of Health and Ministry of Social Welfare, Veterans and Youth Rehabilitation, Government of Cambodia (2023-2025)

**CFP Reference No.:** ATscale/Grant/2022/007

**Date:** 09 December 2022

Dear Sir/Madam,

Kindly note that UNOPS ATscale is hereby amending the above-mentioned CFP as per below:

Item	Page Number/ Section/ Paragraph (in original CFP)	THE FOLLOWING:	IS HEREBY AMENDED TO READ:
1.	Page 5, Section 3. Scope of Work	<p><b>Scope of Work</b></p> <p>The overall objective is to provide coordination support to the Ministry of Health and Ministry of Social Welfare, Veterans and Youth Rehabilitation in implementing the approved broad activities and objectives of the concept note (Annex E) and manage the funds in order to build local capacity. Since building the government's capacity to manage ATscale funds and program activities is key to this project, applicants are therefore expected to also articulate a clear transition plan in the approach proposed, ideally starting in year 2. Applicants are expected to describe clearly in technical approach 'how' the interventions described in the concept note and expected functions (mentioned below) will be successfully executed in close coordination and support of the Ministry of Health, and Ministry of Social Welfare, Veterans and Youth Rehabilitation.</p>	<p><b>Scope of Work</b></p> <p>The overall objective is to provide coordination support to the Ministry of Health and Ministry of Social Welfare, Veterans and Youth Rehabilitation in implementing the approved broad activities and objectives of the concept note (Annex E) and manage the funds in order to build local capacity. Since building the government's capacity to manage ATscale funds and program activities is key to this project, applicants are therefore expected to also articulate a clear transition plan in the approach proposed, ideally starting in year 2. Applicants are expected to describe clearly in technical approach 'how' the interventions described in the concept note and expected functions (mentioned below) will be successfully executed in close coordination and support of the Ministry of Health, and Ministry of Social Welfare, Veterans and Youth Rehabilitation. Additionally, to reflect the recent Prime Minister's Decree of</p>

		<p>(i) <b>Coordination, monitoring support, and capacity building</b></p> <ul style="list-style-type: none"> <li>• <b>Working with the Ministry of Health, Ministry of Social Welfare, Veterans, and Youth Rehabilitation and other local stakeholders,</b> develop a detailed project plan for three years, including details on activities, implementing partner, assigned timelines, responsibilities, and escalation levels</li> <li>• Identify mechanisms of engaging with the identified stakeholders, and support the national coordination mechanism established under the government's leadership</li> <li>• Build operational and management capacity, as needed, of local agencies identified to be recipients of ATscale funds in latter years</li> <li>• Prepare requisite documentation with detailed terms of reference for engagement with individuals/ organizations/agencies to provide technical support and procurements, as needed</li> </ul>	<p>transitioning physical rehabilitation to the Ministry of Health, the applicant is expected to detail out approach to how they intend to work with the Ministry of Health and Ministry of Social Welfare, Veterans and Youth Rehabilitation to adapt the concept note and implementation plan accord to the outcomes of the transition discussions (and within funding envelope as provided in Annex I) for the mobility component during the project implementation. Any changes in the mobility component of the concept note will need to be agreed upon with ATscale Secretariat before activities can begin. The vision component of the concept note remains as approved by ATscale.</p> <p>(i) <b>Coordination, monitoring support, and capacity building</b></p> <ul style="list-style-type: none"> <li>• <b>Working with the Ministry of Health, Ministry of Social Welfare, Veterans, and Youth Rehabilitation and other local stakeholders,</b> develop a detailed project plan for three years, including details on activities, implementing partner, assigned timelines, responsibilities, and escalation levels</li> <li>• Identify mechanisms of engaging with the identified stakeholders, and support the national coordination mechanism established under the government's leadership</li> <li>• Build operational and management capacity, as needed, of local agencies identified to be recipients of ATscale funds in latter years</li> <li>• Prepare requisite documentation with detailed terms of reference for engagement with individuals/ organizations/agencies to provide technical support and procurements, as needed</li> </ul>
