Answers to RFP

Date Received	Question	Answer
07 Feb 2023	Could you please clarify what countries of Asia the travel will be required under the prospective opportunity (WPRO.HPS.PHC.2023.01)? As it is mentioned in the RFP - Provide detailed costs for the services to be performed based on the scope of work, including cost of travel to Asia for 3 countries, about 5 days each; and cost of travel to Geneva for two weeks.	<p>The country in focus as mentioned in the RFP New Zealand around which activities of this specific project centric . There are two trips to Geneva, two weeks in entirety. For determining cost, you may set your own average airfares and per diem per day.</p> <p>The RFP has been updated.</p>
09 Feb 2023	<p>The terms of reference indicates that the bidder or its key personnel must have “deep knowledge of New Zealand Health authorities”.</p> <p>Does this mean that the bidder or its key personnel must have completed healthcare-related projects in New Zealand previously? Or are the bidders who have deep knowledge about the New Zealand health system through research in previous projects and secondary sources also eligible?</p>	The bidder must have completed healthcare/PHC related projects in New Zealand. Close work with MoH NZ is desirable.
09 Feb 2023	The terms of reference indicates that the methodology will be co-developed with WHO during the preparation of Output 1. In this case, what is your expectation from bidders for explaining the “Approach to Scope of Work” in their technical proposals?	<p>With reference to the deliverables mentioned in the RFP, please articulate the methodology, sequence that you would most likely follow for data collection/synthesis etc.</p> <p>Additionally, help us understand how you will ensure that the project will move forward in a timely manner.</p>
