F. Inspections and Tests:

The following inspections and tests shall be performed:

UNOPS or its representative shall inspect and/or test any or all items of the goods to confirm their conformity to the contract, prior to dispatch from the manufacturer's premises. Such inspection and clearance will not prejudice the right of the consignee to inspect and test the goods on receipt at destination.

If the goods fail to meet the laid down specifications, the supplier shall take immediate steps to remedy the deficiency or replace the defective goods to the satisfaction of the purchaser.

G. Sustainability criteria - to be evaluated as part of technical evaluation based on Pass/Fail

Sustainability criteria 1- Bidders should provide supporting documentation which outlines its procedure for waste management & disposal. The plan should explain the formal plan for waste management which outlines how waste will be minimised, sorted, stored, and disposed of;

Sustainable criteria 2- Bidders should provide Gender and social inclusion mainstreaming plans of the organisation which explains the practical plan (or demonstrate experience) for implementing gender mainstreaming (and/or social inclusion) activities during the execution of the contract, from planning to closure.

Bidder shall provide a practical plan (or demonstrate experience) for implementing gender mainstreaming (and/or social inclusion) activities during the execution of the contract, from planning to closure. The plan should relate to the gender equality goals or the dedicated gender action plan of the project, and at a minimum should include the following:

- specific gender equality (and/or social inclusion) objectives suggested by the bidder;
- key activities and timelines required to achieve the objectives;
- clear accountability metrics for each task assigned by role;
- mechanisms to monitor the successful implementation of activities;
- anticipated benefits or results for beneficiaries (differentiating by sex and other socio-economic characteristics);
- commitment to debrief or report on the progress of the Gender Mainstreaming and social inclusion activities as per the project plan.
