In addition:

- The structural engineer is not required for site survey. Refer to Excel Sheet 4.1 Fees and Reimbursable Cost_rev.2
- The Architect and CAD Technician is not required for the site survey but will work from the office while the field assessment is being carried by the above personnel. The time allocated for all personnel are revised/amended please refer to Excel Sheet 4.1 Fees and Reimbursable Cost_rev.2.

Q. 2 – Excel Sheet 4.1 Fees and Reimbursable Cost_rev.1, please clarify item 3.11 is not active.

UNOPS response: 3.11 Stationary + reports printing has been corrected with l.s (lump sum) as Unit of measure and (1) proposed Qty/days. Please Refer to Excel Sheet 4.1 Fees and Reimbursable Cost_rev.2

Q.3 Regarding your instruction to not stir any other items than rate cells in the excel sheets, the Number of sites is different per Lots, but the excel sheet is the same. Please, clarify.

UNOPS response: Considering the number of sites which varies for each lot, UNOPS has amended the completion days for the Lots as follows.

Lots	Milestone 1 Mobilization and logistics For site assessment Time completion days (Man-days)	Milestone 2 Key Personnel For Field Assessment Works and Preparation of Assessment Report Time completion days (Man-days)	Milestone 3 Key Personnel For Preparing Final Assessment Report Time completion days (Man-days)
Lot 1	21	10	29
Lot 2	15	10	20
Lot 3	10	10	20
Lot 4	10	10	20

The excel sheet “Please Refer to Excel Sheet 4.1 Fees and Reimbursable Cost_rev.2” is also amended
