INTRODUCTION TO UNHCR

The Office of the United Nations High Commissioner for Refugees was established on December 14, 1950 by the United Nations General Assembly. The agency is mandated to lead and coordinate international action to protect refugees and resolve refugee problems worldwide. Its primary purpose is to safeguard the rights and well-being of refugees. It also has a mandate to help stateless people.

In more than six decades, the agency has helped tens of millions of people restart their lives. Today, a staff of some 15,000 people in more than 128 countries continues to help about 70 million persons. To help and protect some of the world's most vulnerable people in so many places and types of environments, UNHCR must purchase goods and services worldwide. For further information on UNHCR, its mandate and operations please see www.unhcr.org.

1. REQUIREMENTS

The Office of the United Nations High Commissioner for Refugees (UNHCR), Erbil, invites qualified bidders duly registered with the Government of KRI/Iraq to make a firm offer for the establishment of Frame Agreement (s) for the supply and delivery of Sanitary Kits referred to hereinafter as goods.

IMPORTANT: Exact Technical Specifications of the required Kits are detailed in (Annex A) of this document.

UNHCR may award Frame Agreement(s) with an initial duration of two (2) years, potentially extendable for a further period of one (1) year. The successful bidders will be requested to maintain their quoted price model for the duration of the Frame Agreement.

The estimated requirement for the 2 (+1) years Frame Agreement is **390,000.00 Kits**.

Estimated Annual Requirements							
Size	XS	S	M	L	XL	XXL	Total
Percentage	2%	10%	17%	17%	30%	24%	100%

IMPORTANT:

The above figures have been stated in order to enable bidders to have an indication of the projected requirements. It does not represent a commitment that UNHCR will require the totality of the above quantity. Quantities may vary and will depend on the actual requirements and funds available regulated by the issuance of individual Purchase Orders against the Frame Agreement.

Also, the sizes indicated are subject to revision upon evaluation of the samples received prior to the deadline for submission of bids.

Other United Nations Agencies, Funds, and Programmes shall be entitled to the same prices and terms as those contained in the offers of the successful bidders and could form the basis for a Frame Agreement with other UN Agencies.

IMPORTANT:

When a Frame Agreement is awarded, either party can terminate the agreement only upon 90 days' notice, in writing to the other party.

The initiation of conciliation or arbitral proceedings in accordance with article 18 "settlement of disputes" of the UNHCR General Conditions of Contracts for the provision of Goods shall not be deemed to be a "cause" for or otherwise to be in itself a termination clause.

It is strongly recommended that this Invitation to Bid (ITB) document and its annexes be read thoroughly. Failure to observe the procedures laid out therein may result in disqualification from the evaluation process.

Sub-Contracting: Please take careful note of Article 4 of the attached General Terms and Conditions for the provision of Goods (Annex F).
