United Nations Educational, Science and Cultural Organization (UNESCO) hereby invite qualified companies to submit sealed tenders as follows:

UNESCO Regional Bureau for Sciences in the Arab States – Cairo Office seeks to engage an educational institute/firm to lead the upgrading of the above-mentioned online platform for Egyptian educators.

- Purpose of the platform: The platform would facilitate the delivery of the required trainings and provide access to learning material for the promotion of educators and their continuous professional development.
- Target group: The platform will serve K-12 educators (teachers, principals and supervisors) across Egypt.
- The platform would also cater to different learning styles and needs, thereby making learning more engaging. Users can make video calls or upload recorded videos and PowerPoint presentations, share links, create forums and wikis, receive student work, develop online exams, answer chats, sit evaluations or report important dates.

The Contractor must:

- Be an experienced technical institution/firm that is capable to execute the project and provide technical support
- The firm must have a minimum of 7 years of experience
- Possess experience in the following areas:
  - a. ICT, with a focus on website and web-portal development, preferably in the field of education
  - b. Web software design, installation and technical support in web system management;
  - c. Working with modern hardware server solutions and software platforms;
  - d. Experience in ensuring systems compatibility to find highly productive and reliable solutions;
  - e. Integrating and/or designing LMS
- Have completed at least two similar large-scale projects in developing similar projects and/or educational platforms.
- Have proven success in the establishment of web portal and interactive management systems in last three years.

The purpose of this notice is to provide general information on the requirements for the procurement process and to inform interested suppliers how to obtain a copy of the Solicitation Documents.

Interested companies who wish to participate in the OIC must request for a complete set of Solicitation Documents, available free of charge, from UNESCO contact person at the address shown below.

The electronic bids must be submitted **by email and reach the following address** [cairo-rfp@unesco.org](mailto:cairo-rfp@unesco.org) on or before **30 July, 2023 – 04:00pm Cairo time** in strict compliance with the instructions as stipulated in the Solicitation Documents.

UNESCO reserves the right to amend the documents at any time during the solicitation process. Any amendments or clarifications will be communicated directly to all Bidders who have requested for a complete set of solicitation documents and officially confirmed their intention to submit a sealed tender. No remuneration will be made to companies for preparation and submission of their tenders.
