

14<sup>th</sup> July 2023

To all bidders

**CLARIFICATIONS N.2 TO RFP-DAN-2023-503601  
2024-2028 BCG Vaccine**

**Question 1: “Proposal Part 2. 3.5 Samples” - [Samples should be marked with the RFP number] - Questions : Do we need to put the RFP number on the ampoule as well? Since the ampoules are very small, should I just put the number on the box if possible?**

**Clarification 1:** It is enough to mark the box with the RFP number

**Question 2: Supplier Sustainability Questionnaire 4.1 b. [If yes, please share a copy of the procedure.] The procedure is several hundred pages long and not in English. Do we have to send all pages? Is there an alternative, such as sending only the cover page of the procedure manual?**

**Clarification 2:** Please, submit a copy of the index of the procedure translated to English. If additional questions arise, UNICEF may approach the bidders during the tender evaluation phase or at a late stage during the LTA validity.

**Question 3: Unfortunately, product samples cannot be sent before July 26. We will let you know when we know when we can ship**

**Clarification 3:** Please refer to PART II, section 3.5 on Samples *“If at the time of submission of a Proposal the Bidder is not able to provide the samples as stated above, the Bidder should provide explanation and an indication of when the samples could be provided. For products in development, where packaging material has not yet been developed, bidders are requested to provide soft copy of mock-up of the artwork for UNICEF’s record as soon as available.*

**Failure to provide samples in accordance with the instructions requested under this Section 3.5 may result in invalidation of the Proposal”**
