## 1. PURPOSE OF THIS GUIDE

In January 2016, the United Nations Office for Project Services ([UNOPS](#)) started progressively implementing an e-tendering system (**UNOPS eSourcing**) to conduct its tender processes. In order to access the full UNOPS tender details and submit a vendor response to a tender using the system, vendors need to be registered as a UNOPS vendor on the **United Nations Global Marketplace** ([UNGM](#)).

This guide provides vendors with instructions on how to register on UNGM and how to access and submit offers to UNOPS tenders in the UNOPS eSourcing system. In UNOPS eSourcing, vendors can view full tender details, express interest in tenders, inform UNOPS about their intention to submit a tender, request clarifications about tenders, submit responses to tenders, and respond to UNOPS evaluation clarifications.

UNOPS will periodically review and update this guide to reflect new system functionalities and user feedback.

### What is UNGM?

UNGM ([www.ungm.org](http://www.ungm.org)) is the common procurement portal of the United Nations system of organizations.

It brings together UN procurement staff and the vendor community. The United Nations represents a global market of over USD 19.9 billion annually for all types of products and services in 2019.

The UNGM acts as a self-service portal where potential suppliers can register with one or more of the 29 UN organizations using the UNGM as their vendor database and sourcing tool. These organizations account for over 98% of the total UN procurement spent. The UNGM therefore provides an excellent way to introduce your products and services to many UN organizations, countries and regions by completing only one registration form. UNGM also provides an overview of procurement notices, such as tenders, published by more than 54 UN organisations and other entities. There is no cost to register on UNGM or to view the procurement notices on the website. Also, additional information about procurement practices can be found on the UNGM website.

UNGM is the entry point for various UN agencies' e-procurement systems which are integrated with the UNGM website, such as the UNOPS eSourcing system.

### What is UNOPS eSourcing?

UNOPS eSourcing is an e-procurement system that facilitates the procurement processes conducted at UNOPS by handling on-line sourcing, solicitation, bid opening, evaluation and award. These functions are currently done offline, so the new eSourcing system will streamline how UNOPS and vendors interact, providing increased efficiency and governance to the procurement process.

UNOPS acknowledges the change this represents for vendors and appreciates their effort in using the system and providing valuable feedback.

Please note that this guide is for UNOPS-related procurement tenders carried out with the UNOPS eSourcing system, and does not cover other eTendering systems used by other UN Organizations. For help with tenders posted by other UN Organizations using other eTendering systems, please contact the specific Organization.

### What is new in version 1.7 of this guide?

The following changes have been made compared to version 1.6:

- Updated section 2. to include latest developments in UNGM portal
- Updated section 4.3.3 to include the option of submitting a financial offer by unit price

- Updated section 4.3.5 to include that for tenders with lots, under 'Vendor Submission', the default setting will be 'no bid' (red colour) for all lots.
- Other minor changes and adjustments

## 2. REGISTER ON THE UNGM PORTAL

In order to access the full UNOPS tender details and respond to a tender in the UNOPS eSourcing system, you must **first register as a UNOPS vendor on UNGM**.

Registration at **basic level** is sufficient, as UNOPS does not require level 1 and 2 registrations.

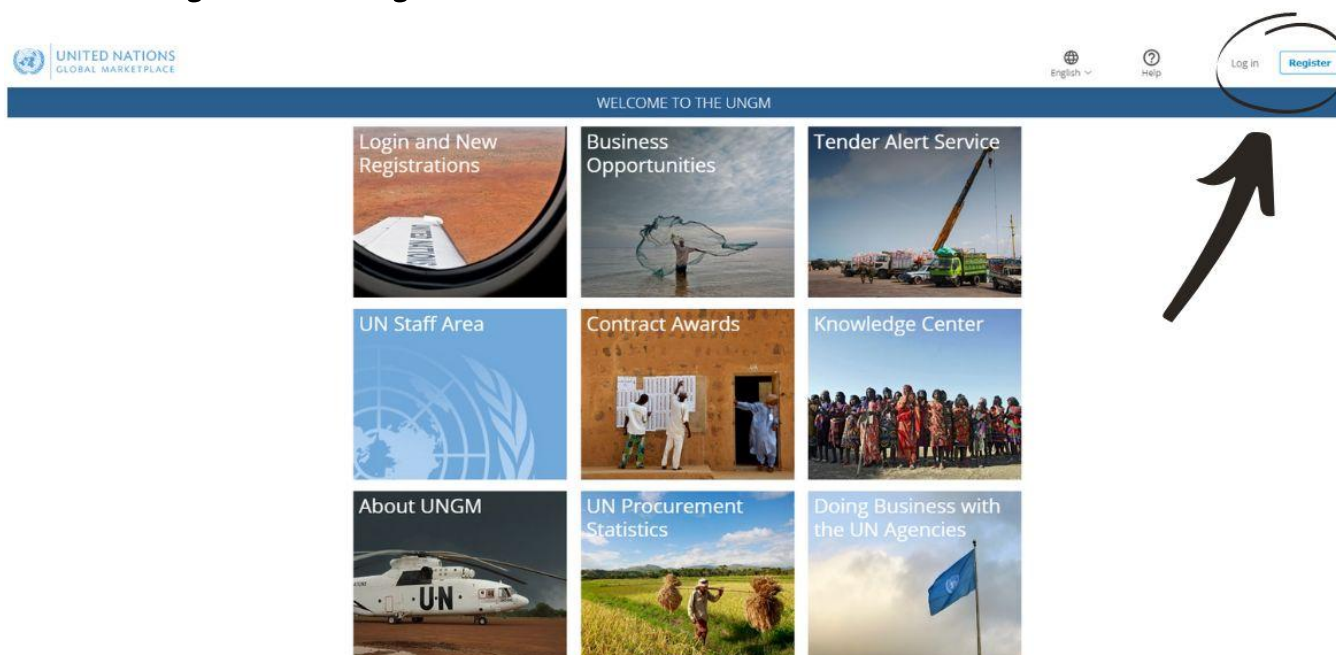

Please note that registration at UNGM is free of charge. In addition, UNGM enables vendors to keep informed of upcoming tender notices through a paid service called Tender Alert Service. By subscribing to the **Tender Alert Service**, vendors can receive relevant business opportunities directly by email.

### 2.1 Register

To access the tender documents, you need to be fully **registered on UNGM**. The **registration at basic level** will be sufficient as UNOPS does not require level 1 and 2 registrations.

Go to [www.ungm.org](http://www.ungm.org)

Click on the '**Login and New Registrations**' section.

Click on « **New Registration** » button.

Select the type of registration by clicking on the relevant box. If you represent a company or an NGO, click on the **'Company's/NGOs' box**.

Introduce your company details and accept the UN Supplier Code of Conduct.

Please provide your company name as written in your company's Certificate of Incorporation. If an error message appears informing you that a company with a similar name already exists, please contact UNGM using the contact form in the [Help Center](#).

Then, click on the **'Send the activation link'** button.

### 3. SEARCH FOR A UNOPS TENDER NOTICE, EXPRESS INTEREST AND VIEW TENDER DETAILS

#### 3.1 Search for a UNOPS tender notice

UNOPS advertises both open competition and limited competition business opportunities through UNGM. For the purpose of this guide, tender means any of the following procurement methods: Request for Quotation (RFQ), Invitation to Bid (ITB), Request for Proposals (RFP), Request for Information (RFI), Request for Expressions of Interest (EOI), and Prequalification (PQ). (See the Glossary at the end of this guide for a definition of these procurement methods.)

Open competition refers to business opportunities accessible to all vendors. Vendors have to respond to these tenders either through traditional methods (hard-copy submission or email) or through the UNOPS eSourcing system as per instructions specified in the tender notice.

Limited competition refers to business opportunities accessible to select vendors through UNGM. The vendors selected may respond to these tenders only through the UNOPS eSourcing system.

##### 3.1.1 Open competition tenders

From the UNGM **Home** page, click the **Business Opportunities** box. If you are already past the **Home** page, click the **Tender notices** link on the left hand menu.

### 3.4 Navigate the UNOPS eSourcing system

Once you have logged in, you will have access to the tender on the UNOPS eSourcing system. You will see a screen with the below information. Please see below a description of the key areas which you'll see in the screen.

The screenshot shows the UNOPS eSourcing interface. At the top, the UNOPS eSourcing logo is on the left, and the United Nations Global Marketplace logo is on the right. Below the logos, there are navigation icons (home, mail, help, language, login) and a user profile section showing 'unops.esourcing@gmail.com' and the date '2019-11-25 13:31 UTC'. ## 4. SUBMIT A VENDOR RESPONSE TO A UNOPS TENDER

### 4.1 Inform UNOPS about your intention to submit or not a tender response

UNOPS would like to know in advance of your intention to submit or not a vendor response to the tender as that is very useful information for our procurement process.

In order to do this, click on the **Vendor confirmation** tab.

Click on either of the two buttons displayed:

- **YES, we intend to submit a response** (green button)
- **NO, we do not intend to submit a response** (red button). If you select this option you will be requested to state a reason.

For a tender with lots, you can inform UNOPS about your to submit or not a tender response per lot.

The screenshot shows the UNOPS eSourcing interface. At the top, there's a header with the UNOPS eSourcing logo and the United Nations Global Marketplace logo. The main content area displays the tender title "Your submission for UNOPS Tender RFP/2017/17875" and the description "Provision of Explosive Threat Mitigation Training and Mentoring Services in support of UNMAS Mali". To the right of the title, there's a countdown timer showing 7 days, 22 hours, 06 minutes, and 53 seconds remaining for the submission deadline. Below the title, there's a status bar indicating "Draft" and a message: "Your submission is still in Draft status and you may continue to add or edit information. You can only submit a vendor submission if before the deadline." Below the status bar, there's a navigation menu with tabs: "TENDER INFORMATION", "VENDOR CONFIRMATION", "VENDOR SUBMISSION", and "EVALUATION CLARIFICATIONS". The "VENDOR CONFIRMATION" tab is selected. Below the navigation menu, there's a section titled "Vendor confirmation" with a message: "Please inform UNOPS of your intention to submit or not a vendor submission to this tender. If you select 'NO, we don't intend to submit a response' you will be requested to state a reason. You can only click on YES or NO once. This is done only for information purposes and you will still be able to submit a vendor submission even if you originally selected the NO option." ## 6. CHECK TENDER STATUS AND RESULTS

### 6.1 Check tender status

If you would like to check the status of any of the eSourcing tenders that you expressed interest on, go to <https://esourcing.unops.org/> and log in using your UNGM account details and click on the **View my tender submissions** button. Or if you are already logged in, go to **My tenders**.

The **Tender status** will show in the right column of the table. There are four possible tender statuses:

- Open (green colour): when the deadline has not passed yet.
- Evaluation (orange colour): when the deadline has passed and UNOPS is making an evaluation of the vendor submissions received. You cannot submit a vendor response once the tender status is on **Evaluation**.
- Finalized (blue colour): when UNOPS has finalized the evaluation and determined the results. If there have been any contracts awarded as a result of this tender, the **Finalized** button will also have an hyperlink to the UNGM contract awards page (see section 6.2 for details).
- Cancelled (gray colour): when the tender has been cancelled by UNOPS.

If you submitted a vendor submission for a tender using eSourcing, you will receive an automatic email notification once UNOPS has finalized the tender evaluation. This email will inform you on the outcome: whether you have been shortlisted or not (in EOI and PQ tenders) or whether you have been awarded a contract or not (in solicitation tenders: RFQ, ITB, RFP). These automatic emails will also include the contact details of the UNOPS personnel responsible for the tender if you would like to seek further information. And in case there have been any contracts awarded as a result of this tender it will also provide a link to the UNGM contract awards page (see section 6.2 for details). If a tender has been cancelled and you have expressed interest, you will receive an automatic email notification.

### 6.2 Check contract awards

When UNOPS has finalized the evaluation of a tender using eSourcing and there have been any contract awards made resulting from the tender, it will publicly publish the main details on the **UNGM contract awards** page.

To access the page, go to <https://www.ungm.org/Public/ContractAward>.

Search the contract award you are looking for by either: title, description, reference, supplier, or award date. You can also search by additional criteria (UN Organization, country/area, or UNSPSC codes) if you click on the **Show more criteria** button.

Note: if you already know the eSourcing tender reference (e.g. RFP/2016/124) you can insert it in the Reference field of the UNGM contract awards page. The eSourcing reference is the same as the contract award reference to facilitate linkages amongst the two.

Once you have identified the contract award you are interested on, click on the hyperlink with the **title**. This will open a new screen showing the following information distributed in four tabs:

- **General**: shows general information about the contract award (title, UN Organization, reference, award date, contract value in USD, description) and the beneficiary countries the award relates to.

- Supplier: name of the awarded supplier. Note: in exceptional circumstances, UNOPS may decide to withhold the name of the supplier for security reasons.
- Contacts: contact details of UNOPS personnel in charge of the award.
- UNSPSC: category code(s) related to the award.

## 8. GLOSSARY

This glossary defines the important terminology used in this document.

<b>EOI</b>	Request for Expression of Interest is a sourcing method by which an advertisement is made to identify suppliers that wish to participate in a future solicitation. Information provided by interested suppliers is assessed and suppliers are considered for inclusion on the short list of companies that are invited to submit detailed offers/proposals.
<b>ITB</b>	Invitation to Bid is a formal method of solicitation where prospective suppliers are requested to submit a bid for the provision of goods or services. Normally used when the requirements are clearly and completely specified. The evaluation methodology applied is lowest priced, substantially compliant offer.
<b>PQ</b>	Pre-qualification is a formal sourcing method to assess suppliers against pre-determined criteria included in the invitation for Pre-qualification. Only suppliers who meet established criteria are invited to submit detailed offers/proposals.
<b>RFI</b>	Request for Information is an instrument to conduct a market survey in order to obtain information that can be used to identify available or potential solutions for fulfilling identified needs.
<b>RFP</b>	Request for Proposal is a formal method of solicitation where prospective suppliers are requested to submit a proposal for the provision of goods, works or services, based on the specifications, statement of work, or terms of reference included in the solicitation documents. Normally used in cases where the requirements are complex, cannot be clearly or completely specified, and where detailed technical evaluations are to be performed, and/or where pricing or cost may not be the sole basis of award. RFPs are conducted through a "two-envelope" system, by which technical and financial proposals are submitted separately. The evaluation methodology applied is combined analysis of technical and financial proposals.
<b>RFQ</b>	Request for Quotation is an informal method of solicitation whereby suppliers are requested to submit a quotation for the provision of goods or services. Normally used for standard, off-the shelf items, where the value of the procurement falls below the established threshold for formal methods of solicitation. The evaluation methodology applied is lowest priced, most technically acceptable offer.
<b>Tender</b>	For the purpose of this guide, tender means any of the following procurement methods: Request for Quotation (RFQ), Invitation to Bid (ITB), Request for Proposals (RFP), Request for Information (RFI), Request for Expressions of Interest (EOI), and Prequalification (PQ)
<b>UNGM</b>	United Nations Global Marketplace is the common procurement portal of the United Nations system of organizations.
<b>UNOPS</b>	United Nations Office for Project Services is an operational arm of the United Nations supporting implementation of partners' peacebuilding, humanitarian and development projects around the world.
<b>UNSPSC</b>	The United Nations Standard Products and Services Code (UNSPSC) is an open, global, multi-sector standard for classification of products and services to aid in procurement spend analysis and procurement optimization

## 9. KEY RECOMMENDATIONS FOR VENDORS USING UNOPS eSOURCING

Please see below our key recommendations for vendors in using the UNOPS eSourcing system.

1	Register as a UNOPS vendor in UNGM	This is important as you must be registered as a <b>UNOPS vendor</b> in UNGM in order to submit vendor responses to tenders carried out with the UNOPS eSourcing system. If you are already registered, please ensure that <b>UNOPS</b> is amongst the UN organizations in your UNGM profile. See <a href="#">section 2</a> of this guide for details.
2	Express interest in a tender	After <b>searching for tenders</b> that might interest you, remember to click on the <b>Express interest</b> button in UNGM. All vendors who have expressed interest in a tender will receive automatic notifications about the tender, such as when the deadline for submissions is approaching, or when clarifications or amendments to the tender have been added by UNOPS. See <a href="#">section 3.1</a> and <a href="#">section 3.2</a> for full details
3	View tender details, especially the submission deadline	Remember to review all the details of a tender before responding to it. If you want to submit a response to a tender, you must do so before the submission deadline. The <b>Deadline</b> is under the <b>General information</b> tab of the tender. See <a href="#">section 3.3</a> for full details.
4	Inform UNOPS whether you intend to submit or not	It is important for UNOPS to know in advance of your intention to submit or not a vendor response to the tender as that is very useful information for our procurement process. Please do this through the <b>Vendor confirmation</b> tab. See <a href="#">section 4.1</a> for full details.
5	Request clarifications on a tender if you have questions	If you have questions about a tender, you may request a clarification from UNOPS. You have to do this before the <b>Deadline for clarifications</b> which is under the <b>General information</b> tab of the tender. See <a href="#">section 4.2</a> for full details.
6	Save your submission in draft and don't wait for the last minute	You may progressively save information as you complete it (i.e. responding to online <b>Questionnaires</b> or uploading documents against the <b>Document checklist</b> ) and save your submission as <b>Draft</b> . Don't wait for the last minute to complete your submission as you cannot submit a vendor response after the <b>Deadline</b> has passed. Once you have completed all the information, click the <b>Submit</b> button. See <a href="#">section 4.3</a> for full details.
7	Respond to all UNOPS evaluation clarifications in a promptly manner	After the deadline for submission has passed, UNOPS may send you a request for clarification during the evaluation process. Please respond to these <b>evaluation clarifications</b> in a promptly manner. See <a href="#">section 5</a> for full details.

**Ensure that  
UNOPS'  
domain is not  
blocked by  
your servers.**

UNOPS eSourcing system is working with automatic email notifications as described under [section 3.4](#) Navigate the UNOPS eSourcing system. All email notifications from the eSourcing system to our vendors are sent from the [no-reply@unops.org](mailto:no-reply@unops.org) address. When sending notification emails from "no-reply" addresses such as this one, there is a risk that the email ends up on a blacklist for spam servers. It is ultimately the responsibility of our vendors to ensure that UNOPS' domain is not blocked and that your mail server accepts emails from the UNOPS domain ("[unops.org](http://unops.org)"). Vendors can do that through their IT department or their Internet Service Provider.
