

## Q&A Document

- 1) In the tender document on page 11, the incoterms are mentioned as DAP, Anywhere in Bangladesh. Whereas on page 32, it says :The transportation charge is considered for the transportation of each kit to the district level all over Bangladesh. This charge also includes any Duty tax, related to import of any items manufactured or offered from outside the country. Bidder is responsible for any overseas transportation, payment of related duty/tax. Kindly clarify on the exact incoterms and also whether the custom clearance, duty tax and other charges etc. will be paid by the shipper or the consignee.  
- *Feedback from UNFPA: The Item no 19 in the Section II: Technical Specification and Schedule of Requirements at page 32 mentions "The transportation charge is considered for the transportation of each kit to the district level all over Bangladesh. This charge also includes any Duty tax, related to import of any items manufactured or offered from outside the country. Bidder is responsible for any overseas transportation, payment of related duty/tax."*
- 2) We would like to know the estimated required quantities of kits.  
- *Feedback from UNFPA: UNFPA intends to sign Long Term Agreements (LTAs) for two years. There is no estimated required quantity for the kits, the quantity depends on the requirements from the projects, and available funding.*
- 3) For item 15: Disposable diapers, we would like to know whether the same is required in pant type or taped diapers.  
- *Feedback from UNFPA: The disposable diapers will be taped diapers*
- 4) In the tender document on page 11, the incoterms are mentioned as DAP, Anywhere in Bangladesh. We shall be grateful if you can confirm the exact address of delivery in order to get accurate freight rates.  
- *Feedback from UNFPA: The incoterm is DAP anywhere in Bangladesh, Suppliers can calculate the maximum distance for delivery at the district level for their pricing.*
- 5) Item 8: Baby Blanket sizes are not stated. There is a phrase 40" x 41", is it an inch or a cm? Could you please, clarify the size of the blankets?  
- *Feedback from UNFPA: The size of baby blanket will be 40 inch by 41 inch*
- 6) Item 16: Antiseptics (Surface Cleaner), there are two volumes mentioned on the specifications as 500ml and 400ml. Could you please advise the required volume for Antiseptics?
