

RFQ 629293-REM-Provision of specialized vehicles for Ukraine– No.2

Clarifications for bidders

	CLARIFICATION REQUEST	ANSWER
1	<p>We are EU registered company, due to logistical and organizational reasons warranty and support etc. we are considering modifying and supplying vehicles procured at the Ukrainian market without exporting them from Ukraine.</p> <p>Please clarify if this project/supply will be registered as an international technical support with Ukrainian authorities if yes, will it be possible to include EU based company and Ukrainian sub-suppliers to the project procurement plan registered with Ukrainian authorities to be exempted from VAT taxes and customs duties for this project/supply?</p>	<p>-The project/Supply is under humanitarian support to Ukraine, you can include EU based company and Ukrainian sub-suppliers but our contract and focal point for the supplier of this vehicles will be the main contractor, and it's up to the main contractor to manage the sub-suppliers for IAEA the sole responsibility and liability will be with the main contractor that we will sign the contract with.</p> <p>-As for the exemption from VAT taxes and customs duties this is the responsibility of the contractor to check with the authorities directly, as a UN agency IAEA is exempt from VAT and the invoices to IAEA should not include VAT, if the supplier offers the vehicles with incoterms FCA, then IAEA will be responsible for the customs duties via its freight forwarder</p>
2	<p>Given the short time notice for this tender, so, we kindly request an extension for the closing date for at least one month.</p> <p>This will allow us to submit the best suitable quotation for this tender.</p> <p>We thank you for your understanding and await your positive reply.</p>	<p>-The closing date of the RFQ has been extended until 30 January 2024 at 17:00 Central European time</p>
