**THE UNITED NATIONS CHILDREN'S EMERGENCY FUND
(UNICEF) REQUEST FOR EXPRESSION OF INTEREST (REOI):
PREQUALIFICATION OF CONSTRUCTION VENDORS
EOI No. 2024/001**

UNICEF works in the world's toughest places to reach the most disadvantaged children and adolescents – and to protect the rights of every child, everywhere. In order to achieve the programmatic goals of UNICEF, the organization engages in critical construction work across Nigeria.

To facilitate the contracting process, UNICEF Nigeria is planning to create a roster of prequalified vendors to be invited to tenders for construction works 2024-2025. This will include different types of construction projects managed by UNICEF in Nigeria, ranging from light construction (such as construction of latrine, renovation of classrooms, etc.) to heavy construction (such as Oxygen gas plant, Warehouse construction, etc.).

Interested vendors are encouraged to express interest by filling the EOI form via the following link or QR code:
