

**Clarification under LRFQ-2024-9187931:Procurement of EViews Software for Ministry of Finance / Singha Durbar / Kathmandu-Bagmati Province**

Queries	Responses
<p>Please advise how the Ministry would like to allocate their 10 Units and we can provide a quote accordingly.</p> <p>10 Units: # of Seats: # of Concurrent Use:</p>	<p><b>New Eviews 13 enterprise edition 10 unit volume license( 6 seat and 2 concurrent licensing)</b></p>
<p>1. Do you need new software or needed cost for the license for 10-unit volume license of the EViews 13 Enterprise Edition software?</p> <p>2. Do we need to install and provide training or only need to supply software with licence for 1 year?</p> <p>3. Do you need manufacturer authorization for the bid or not?</p> <p>4. Do u need single user license or we can provide you volume license ?</p> <p>5. Do u need single single user license with enterprise lisence</p>	<p><b>1. New Eviews 13 enterprise edition 10 unit volume license (6 seat and 2 concurrent licensing)</b></p> <p><b>2. Software with 1 yr subscription only</b></p> <p><b>3. Yes</b></p> <p><b>4. We need Eviews 13 enterprise edition 10 unit volume license</b></p> <p><b>5. We need Eviews 13 enterprise edition 10 unit volume license</b></p>
<p>Please kindly clarify whether you are looking for "SEAT" or "CONCURRENT USE" licensing model. If you want both, please specify the qty. for each type.</p> <p>In short, the vendor offers two licensing models for EViews 13 Enterprise through Volume Licensing:</p> <p>- "SEAT" -&gt; This is a device licensing model;</p> <p>- "CONCURRENT USE" -&gt; This is a floating/network licensing model;</p> <p>It is possible to order all SEAT type, all CONCURRENT type, or even a mix of them (ie. some SEAT, some CONCURRENT)</p>	<p><b>Eviews 13 enterprise edition 10 unit volume license(6 seat and 2 concurrent licensing)</b></p>
