Consultancy Services for Development of Regional Guidebook on Phasing Out Single-Use Plastics under

THE SOUTHEAST ASIA REGIONAL PROGRAMME ON COMBATING MARINE PLASTICS (SEA-MAP)

Amendment – I, Dated: 30th January 2024

The Following modification to the Request for Proposal Document is made through this Amendment, with reference to above case reference:

No.	Technical Requirement in Tender	Revised Technical Requirement								
1	Section 2, Schedule of Requirement, (page 13) Clause 7. REQUIREMENTS OF THE PROJECT TEAM 7.1 The composition of the team could look as follows. A consultancy firm that prefers a different team composition should elaborate on the key qualifications and experiences needed to complete the assignment and ensure they are available successfully. The team leader, and preferably the full team, should be based within Southeast Asia for the duration of this assignment.	Section 2, Schedule of Requirement, (page 13) Clause 7. REQUIREMENTS OF THE PROJECT TEAM 7.1 The composition of the team could look as follows. A consultancy firm that prefers a different team composition should elaborate on the key qualifications and experiences needed to complete the assignment and ensure they are available successfully. The team leader, and preferably the full team, should be based within Southeast Asia for the duration of this assignment.
