

RFQ 2403-24

Clarification No.3

Date: 21 February 2024

1. We had a question about the timeline and deliverables mentioned on page 3, title 5 of the Terms of Reference document: are the dates in the timeline fixed, or could there be some flexibility? We were wondering whether the dates for the meetings are fully set – e.g. March 5th and April 16th?

We confirm that the dates are fully set.
