

Response to Bidder’s Clarification No.1

Question #	Question text (Bidder’s Question)	Unitaid’s Response
1	TOR - Section 2 (Work to be performed) - The final deliverable is defined as a ‘report’. Is the objective to prepare an internal report for Unitaid or a public report accessible to all / select stakeholders?	The final report should be accessible to all stakeholders.
2	TOR - Section 2 (Work to be performed) - Regarding the scope of work, should the landscaping exercise focus on local African organisations or also global organisations with activities in Africa?	The scoping of work is for organizations with registered and physical facilities in Africa. If the global organisations meet the aforementioned criteria, they can be considered in the landscape.
3	Request for extension of tender closing date - Would it be possible to submit proposal by the 24 April?	Unfortunately, the tender closing date cannot be extended.
