No	Questions from suppliers	Answer of UNFPA
1	On page 3 of 11 in Request of Quotation doc, Delivery time is mentioned as "The goods are to be delivered maximum in (2) weeks upon approval of the order. Is it possible time for supplying all the items or is it written mistake?	Two weeks of delivery time is the requirement of UNFPA's programme to respond to urgent need. Possibility depends on the supplier's capacity and experience. However, bidders may send its bid indicating its available timeline to supply, although the timeline will be the important consideration in addition to the technical and price evaluations.
2	We have another question on the size of bag which is not suitable. Please confirm the exact size.	The backpack size of 45cm x 55cm is approximate size. In general, the backpack should be big enough to contain all items of the dignity kit and strong enough to carry 10 kg weight.
