Clause in General Conditions	Special Condition of Contract
GCC 4.1	<p>The delivery term is as mentioned in the schedule of Requirement.</p> <p>The supplier shall provide shipping documents (draft AWB/BL, Invoice, packing list, COA) in advance to UNOPS. UNOPS will apply for Tax exemption. Once the TEC is received UNOPS will provide the green signal to the supplier to go ahead with the shipment. Shipment shall not be made without getting clearance from the UNOPS.</p> <p>The details of shipping and/or other documents, to be furnished to UNOPS for applying for TEC by the Supplier are:</p> <ol style="list-style-type: none"> 1. Signed Two Commercial invoice, indicating the United Nations Office for Project Services ARHC as the Purchaser the PO number, Goods description, quantity, unit price, and total amount. Invoices must be signed in original and stamped, or sealed with the company stamp/seal; 2. AWB/BL 3. Two (2) copies of Packing list identifying contents of each package; 4. Internal Test Analysis Report of the Manufacturer for the items offered; 5. Certificate of Inspection furnished to Supplier by the nominated agency (where inspection is required) 6. Certificate of Analysis for each batch- Certificate of quality control test results in conformity with the World Health Organization "Certification Scheme on the Quality of Pharmaceutical Products Moving in International Trade" stating quantitative assays, chemical analysis, sterility, pyrogen content, uniformity, microbial limit, and other tests as appropriate to the Goods. 7. Any other/additional procurement – specific document(s) required for quality assurance and delivery/payment purposes. <p>Any delivery date or time specified in the Purchase Order shall be of the essence and failure to deliver within the time promised or specified shall enable The UNOPS to release himself from any obligation to accept or pay for the Goods, and/or to cancel all or part of the Purchase Order without prejudice in either case to his other rights and remedies. Delivery documents should be made available by the Supplier to the UNOPS.</p>

GCC 4.2	<p>The inspection and test procedure is specified in Technical Specifications.</p> <p>Regardless of any pre-shipment inspection (and the result thereof) All goods may be subject to inspection/audit and quality control testing by UNOPS/ The end users or its designated representatives, to the extent practicable, at all times and places, including during the period of manufacture and, in any event, prior to final acceptance.</p> <p>UNOPS/the end users may also carry out quality control testing of the Goods any time during the shelf life of Goods even after the acceptance of Goods by consignee.</p> <p>If any inspection/audit or test is made on the premises of the Supplier and/or the manufacturer, the Supplier, without additional charge, shall provide all reasonable facilities and assistance for the safety and convenience of the inspectors of UNOPS/ the end users in the performance of their duties.</p> <p>All inspections and tests on the premises of the Supplier or its supplier shall be performed in such a manner as not to unduly delay or disrupt the ordinary business activities of the Supplier. Final acceptance or rejection of the goods shall be made as soon as practicable after delivery, but failure to inspect/audit and accept or reject goods shall neither relieve the Supplier from responsibility for non-conforming Goods nor impose liabilities on The UNOPS therefore. The Supplier shall maintain a Quality Assurance system to guarantee the quality of the goods (including, for example, a recall system). All records related to this Quality Assurance system and related to the Purchase Order shall be kept complete and made available by the Supplier to The UNOPS during the performance, pursuant to this Order and for twenty four (24) months thereafter or for such other period as may be specified in this Order.</p>
