The technical bid should be concisely presented and structured to include but not necessarily be limited to the information listed in the Annex A – Technical Specifications. Please remember to submit all the documents listed in Annex A – Technical Specifications
- e. Financial bid in a separate sealed envelope
- f. Product Item Overview Form

Partial bids **are allowed** under this RFP.

**Evaluation of Proposals:**

A two-stage procedure will be utilized in evaluating the proposals, with evaluation of the technical bids being completed prior to any financial bid being opened and compared. The financial bid will be opened only for those bidders whose technical bids reaches **42 points**,

meeting the requirements for the RFP. The total number of points which a bidder may obtain for technical and financial bids is **100 points**. (technical-financial ratio 70:30)

### Technical Evaluation

The technical bid is evaluated on the basis of its responsiveness to the Terms of Reference shown in the bidding documents and the evaluation criteria. The maximum technical score is **70 points**.

Criteria	[A] Maximum Points	[B] Points attained by the Bidder	[C] Weighting %	[B] x [C] = [D] Total Points
<b>1. Vehicle</b> (Please see Annex A – Technical Specifications for the documents required to be submitted)	100		25%	
<b>2. Box Body Layout, Design, and Infrastructure</b> (Please see Annex A – Technical Specifications for the documents required to be submitted)	100		30%	
<b>3. Infrastructure/Utilities</b> (Please see Annex A – Technical Specifications for the documents required to be submitted)	100		20%	
<b>4. Solar/Battery/Inverter Feature</b> (Please see Annex A – Technical Specifications for the documents required to be submitted)	100		5%	
<b>5. Medical Equipment</b> (Please see Annex A – Technical Specifications for the documents required to be submitted)	100		20%	
<b>GRAND TOTAL ALL CRITERIA</b>			100% (70 points in total)	

The following scoring scale system will be used by the technical evaluation panel to conduct the Technical Bid evaluation objectively.

Degree to which the Terms of Reference requirements are met based on evidence included in the Bid submitted	Points out of 100
Significantly exceeds the requirements	90 – 100
Exceeds the requirements	80 – 89
Meets the requirements	70 – 79
Partially meets the requirements	1 – 69
Does not meet the requirements or no information provided to assess compliance with the requirements	0

### Financial Evaluation

The financial bid will only be evaluated if the technical bid achieves a minimum of **42 points**. Proposals failing to obtain this minimum threshold will not be eligible for further consideration. The financial bid is evaluated on the basis of its responsiveness to the Price Schedule Form. The maximum number of points for the price bid is **30**. This maximum number of points will be allocated to the lowest price. All other proposals will receive points in inverse proportion according to the following formula:

$$\text{Points for the Price Bid of a Proposal being evaluated} = \frac{[\text{Maximum number of points for the Price Bid}] \times [\text{Lowest price}]}{[\text{Price of bid being evaluated}]}$$

### Total Score

The total score for each bidder will be the weighted sum of the technical score and financial score. The maximum total score is 100 points.

### Contract Award

UNFPA shall award the contract to the bidder who obtains the highest combined score of the technical and price evaluation.

Note: Current UNFPA supplier policies apply to this solicitation and can be found at: <http://www.unfpa.org/suppliers>.
