Over more than five decades, the Agency has helped millions of people restart their lives. Today, UNHCR is one of the world's leading humanitarian agencies. Its staff of over 9,000 members assists more than 65 million people in 125 countries. Team members work in various locations and conditions, including at our headquarters in Geneva, and more than 100 field sites. For more information, please visit www.unhcr.org and www.acnur.org.br.
