B) Clarification on Method of Joint Venture Evaluation

- Bidders are allowed to compute for this ITB as a joint venture. The evaluation method and criteria applied are stated in the specific criteria section as presented on the sourcing criteria tab.
- All parties of such joint venture, consortium or association shall be jointly and severally liable to UNOPS for any obligations arising from their offer and the contract that may be awarded to them as a result of the solicitation process;
- Bidders are expected to present evidence of Joint Venture formation.
- The offer shall clearly identify the designated entity to act as the contact point to deal with UNOPS, as detailed in the appropriate returnable form/schedule. Such entity shall have the authority to make decisions binding upon the joint venture, association or consortium during the bidding process and, in the event that a contract is awarded, during the duration of the contract;
- The Designated Focal Representative of the joint venture needs to be a construction company possessing the required license & CoC certificate capable of providing required services during the DNP period.
- The composition or the constitution of the joint venture, consortium or association shall not be altered without the prior consent of UNOPS.

C) Site Visit

- A site visit is not mandatory but strongly recommended. Bidders who are interested in a site visit can make their request before Sept. 10, 2024, as a clarification on sourcing and add

their contact details. UNOPS shall send the details of the requesting bidders to the partner's warehouse manager so that the requesting bidder can see **individually** the current status of the floor.

D) Sharing additional information/photos to show the current status of the floor surface

- Photos upload as Annex 1

E) Sharing pre-bid/clarification meeting minutes & slide

- Pre-bid meeting Minutes uploaded as Annex 2
- Pre-bid meeting slides uploaded as Annex 3
