Minutes of Meeting:

Below is a brief for the points that were discussed in this pre-bid meeting: -

SN	Topic / Bidder Question or RFC	UNOPS Clarification
1-	UNOPS explained that the winning bidder should abide by UNOPS minimum health and safety requirements for contractor. The bidder shall consider all the HSSE measures in their proposal. Contractor will be accountable for any failure in adhering to these requirements.	
2-	Duration of implementation	45 days
3-	Bidders asked for long working hours on site	UNOPS will support the awarded contractor in getting clearance to work long hours.
4-	Bidders asked about the new location to move the existing caravan to.	The existing caravan will be relocated to a new location inside the current boundaries of JHCO premises to be finalized upon site handing over.
