

Dear All,

UNFPA (United Nations sexual and reproductive health agency - <http://www.unfpa.org/>) would like to call attention to the upcoming Hormonal Contraceptives Bid, which is tentatively planned to be launched in Q1 2025. The new Blanket Purchase Agreements (BPAs) will be established based on the result of the tender and the BPAs will be valid for 3 years to serve the needs of UNFPA programmes and Third Party Procurement Clients.

- Hormonal-releasing Intrauterine devices
- Implantable hormonal contraceptives
- Injectable hormonal contraceptives
- Oral hormonal contraceptives (Combined Oral Contraceptives, Progestogen Only Pills and Emergency Oral Contraceptives)
- Vaginal hormonal contraceptives
- Others

Tender will include both pass/fail and weighted criteria. For reference on similar evaluation criteria that shall be included in the tender, please review the latest bid published by UNFPA SCMU for the same category: <https://www.ungm.org/Public/Notice/109992>

The previous bid is being shared for your reference to help you begin preparation. However, please be aware that the requirements will be updated from those in the previous bid.
