- Reference is made to Annex A-terms of reference article E- to have a proper registration with the Syrian Engineering Syndicate, and qualification as a consultant office to undertake engineering studies in the following professions: structural, road, water, sanitation, mechanical, electrical, and renewable energy. If a foreign firm's expertise is necessary, it should be registered as a joint venture with PEC in accordance with the specific PEC By-Laws. It is acceptable to have a similar certificate from outside Syria if the company is registered outside Syria, but the Bidder should hold same qualification or higher in the country of registration, in same time they must have experience in Syria context, and capacity to undertake the work.
- The bid closing date is extended for two weeks to enable the suppliers to have sufficient time to review the clarifications and the relevant responses,

The new bid closing date is 08 October 2024 at 13:00 hrs Syria time.

All other terms and conditions mentioned within the tender documents shall remain the same and not changed.
