

Clarifications to Questions from Bidders

RFP-DAN-2024-503748 – Mpox Vaccines

Clarification 1 – 10 September 2024

#	Document and section	Question	Clarification
1	<p><u>RFP-DAN-2024-503748 final</u> Part II Section 3.1 UNICEF will accept Proposals by either 6th September 11th September or 18th September. Bidders are also encouraged to submit proposals beyond these deadlines upon meeting the regulatory milestone (EUL) in accordance with instructions provided on the front page of this document.</p>	<p>Can UNICEF provide clarity on the 3 phased proposal dates. Can proposals be submitted (and will they be reviewed) prior to an EUL or WHO pre-qualification being granted?</p>	<p>Proposals can be submitted by any of the three phased deadlines irrespective if EUL or WHO prequalification has been granted. Conditional awards might be awarded should it be considered to facilitate the achievement of the procurement objectives while EUL or WHO PQ approval is awaited.</p> <p>Once the September deadlines pass Bidders will need to have its products approved under an EUL or WHO prequalification to submit a response.</p>
2	<p><u>RFP-DAN-2024-503748 final</u> Part II Eligibility Requirements and Part VI Proposer Information Sheet Becoming a UNICEF Vendor</p>	<p>If a company has submitted Registration Level 1 documents under UNGM are they considered a UNICEF Vendor or is there another step that needs to be completed?</p>	<p>Registration with UNGM is prerequisite for UNICEF to assess an offer.</p> <p>UNICEF Vendor assessment is part of tender evaluation process to assess eligibility for awards. UNICEF vendor registration will be initiated during the proposal evaluation process</p>
3	<p><u>Part VI Commercial Proposal Sheet</u> <u>A. Quantitative Proposal</u> DAP Shipping - Current price excludes shipping cost</p>	<p>How does UNICEF prefer the bidders to estimate DAP shipping costs. Shipping costs vary depending on quantity shipped to Country/location? Is there an assumed location for DAP (Place of destination)</p>	<p>FCA delivery terms can be offered.</p> <p>For comparison, the DAP price estimate can be provided to DRC for a quantity of 50,000 doses, to be provided as following FCA price + freight to DRC</p>
