

## Questions and Answers

### Provision of Training Services on Quality Management System (QMS)

#### RFQ 2436-24

#### Questions and Answers:

**Question 1.** 1. In the RFQ Annex B - There is a tab titled 'Scored Evaluation Criteria'. Is this sheet specifically for WMO's use?

**Response:** The purpose of this tab is to give transparency to the technical and financial evaluation process, which WMO uses for offers received.

**Question 2.** SAI Global are not registered on the UN Global Compact as this will require significant levels of internal approval. To register will cost between \$2,000-30,000 US. SAI Global has however registered on the UN Global Marketplace.

**Response:** Potential suppliers are encouraged to join the UN Global Compact, but it isn't mandatory.

**Question 3.** In Australia we operate with Goods & Services Tax not VAT, so the quote will be priced without GST.

**Response:** Quotations free of tax of any kind are acceptable.

**Question 4.** Will it be acceptable if the quote is in \$AUD?

**Response:** The preferred currency of quotations for this RFQ is CHF, but quotations given in other currencies are acceptable.
