Dear Sir/Madam,

Reference to the subject RFQ, please find below a question asked by potential bidders and corresponding answer by UNFPA as addendum to the solicitation document:

No.	QUESTIONS	ANSWERS
1	Provide layout of arranging the indoor units and outdoor units of air conditioners (for calculation of the wiring, copper pipes, etc.)	+ 10 air conditioners of 12.000 BTU are installed in the following rooms: 4 shelter rooms, 1 room for people with disability, 1 reception room, 1 medical treatment room, 1 consultation room, 1 monitoring room, 1 recording room. + 2 air conditioners of 18,000 BTU are installed in the learning room Please see the attached layout of works for detailed arrangement of air conditioners (page 5)
2	Provide electric layout of the building: (to see if the power system is ready)	The building is currently in use with air conditioners installed. These current air conditioners will be removed by Hoa Binh (to return to another project) and the new ones will be installed. Therefore, the power supply system is already in place. Please see the attached design of current building for more details
3	Layout of hallway light bulbs.	Corridor light bulbs will be installed to replace the current ones that have burned out and are of poor quality, so no new wires and switches are required. Please see the attached design of current building for more details
4	We would like to survey the actual site to ensure an accurate quote when installing the equipment and avoid any future problems. Please give us contact information, address of the actual installation site and the time we can work.	Please contact the following focal point staff for timing of site survey: TỔNG THỊ HẰNG NGA Department of Social Work and Child Protection Fund. Social Works Centre and Child Protection Fund Add.: Group 3, Ky Son, Hoa Binh city, Hoa Binh province Tel: 0977.623.015
5	Please clarify some information about fence requirements (item 45, lot 1) - Height of fence? - Is fence installed on flat or sloping surfaces? - Is fence installed on soil, concrete or tiled floor?	- Height of the fence: please see the attached layout for details on fence dimensions. - The fence is installed on a quite flat foundation - The fence is set on soil ground, just some square of yard.
