(Q&A)**

**REQUEST FOR QUOTATION: No. RFQ/LBY/TR/24/043  
FOR THE SUPPLY AND DELIVERY OF WINTER BOOTS  
FOR UNHCR LIBYA**

---

**1- Question 1**

Is the tender open to international businesses or Libyan only registered businesses? That requirement is stated in the Qualification/Selection Criteria terms at Point 4, but this is not otherwise mentioned in rest of the documents, as it might usually be.

**Answer**

Unfortunately, the company should be register in Libya.

**2- Question 1**

In relation to this tender, we have sourced 10,000 pairs of appropriate boots, across different 35 styles, in various men's, women's and children's sizes. We have also confirmed that we can deliver the boots to Libya, in less than 21 days. (Approximately 14 days.)

However, the large variation in styles does not meet the exact requirements of the tender, where three styles seem preferred, (one men's, one women's and one children's). Indeed, we can source approximately 20,000 boots, across various styles, if more boots are required.

**Answer**

Unfortunately, no we cannot accept the variation to the submitted sample meeting the requested specification in Annex A.
