

“Doing business with UNOPS”

online course

UNOPS (United Nations Office for Project Services) is a UN entity that helps the UN and its partners provide peace and security, humanitarian and development solutions.

UNOPS procures on a yearly basis approx. US\$ 1 billion worth of goods and services in order to support the delivery of our projects. We do this with more than 5,000 suppliers from over 170 countries. Our vendors therefore play a vital role in our efforts to implement efficient and sustainable procurement processes on behalf of our partners.

Course objective

The course aims to improve the knowledge of our current and potential vendors on how to do business with UNOPS, including our expectations on sustainability and ethics, with the overall objective of enhancing our procurement outcomes through additional competition, transparency and value for money.

Learning outcomes

- Learn about UNOPS and understand the importance of the course;
- Improve the knowledge on what UNOPS procures, how we procure and how to become a vendor of our organization;
- Enhance the awareness on ethics and fraud prevention in procurement, including ethical standards of UNOPS personnel and ethical behaviour of suppliers;
- Learn about UNOPS vendor sanctions policy and the consequences for vendors that engage in proscribed practices;
- Learn about sustainable development and understand UNOPS' approach to sustainability.

Duration

Approx. 1-1.5 hours.

Target audience

Current and potential UNOPS vendors. To be noted that during the beginning of 2020, the course is being piloted with 1,000 vendors. Free online access to additional vendors will be possible later in 2020 through UNOPS website.

Technical requirements

The course is accessible through standard web browsers in computer and through the *Go.Learn** app in portable devices.
