

Questions & Answers

REQUEST FOR QUOTATION No. RFQ/YEMSA/SUP/2024/68

Moving prefabricated rooms from UNHCR RC to Main Office

<b>Question 1</b>	Can you extend the project implementation timeline as the 10-15 days is not enough
<b>UNHCR Answer</b>	No, because UNHCR is committed to handover the RC office building to the owner – so the selected supplier should consider increase the labors and trucks to move the items

<b>Question 2</b>	Can we work during the working hours and also after working ours – but UNHCR should consider that a noise will happen from labours during the working hours or UNHCR will limit us to implement the job after working hours?
<b>UNHCR Answer</b>	Yes, UNHCR will handover the location to the selected supplier immediately after signing the purchase order, so they can start to work from 7:00 am everyday for the planned 10-15 days

End..
