

## Questions & Answers

### REQUEST FOR QUOTATION No. RFQ/YEMSA/SUP/2024/69

#### Miscellaneous Construction Work and Items Movements from RC Office to Main Office

<b>Question 1</b>	For the Internal Gypsum Board Partitions: the quantity in the RFQ document is 41 M2 but in the Annex A and Annex C it is 62.4 M2 – which one to consider
<b>UNHCR Answer</b>	You should consider the one in the Annex A and Annex C which is 62.4 M2

<b>Question 2</b>	In Annex A, item # 8 – you mentioned to deliver the generator with installation
<b>UNHCR Answer</b>	The part of installation is required for the generator tanks that will be moved from RC office to main office, but no need for the generators to be installed, they only should be moved from RC to main office

<b>Question 3</b>	In Annex A, item # 8 – you mentioned to deliver the furniture, would you please provide the list of furniture
<b>UNHCR Answer</b>	All the furntiure (desks, cabints, meeting tables, chairs) will be moved by UNHCR and should not be considered in this tender – other then these items, the selected will be responsible for moving them UNHCR RC to Main office

<b>Question 4</b>	Can you extend the project implementation timeline as the 10-15 days is not enough
<b>UNHCR Answer</b>	No, becuase UNHCR is committed to handover the RC office building to the owner – so the selected supplier should consider increase the labors and trucks to move the items

<b>Question 5</b>	Can we work during the working hours and also after working ours – but UNHCR should consider that a noise will happen from labours during the working hours or UNHCR will limit us to implement the job after working hours?
<b>UNHCR Answer</b>	Yes, UNHCR will handover the location to the selected supplier immediately after signing the purchase order, so they can start to work from 7:00 am everyday for the planned 10-15 days

End..
