

Section I: Instruction to Offerors

1. SCOPE OF PROPOSAL

Offerors are invited to submit a Proposal for the services/goods specified in Section II: Schedule of Requirements, in accordance with this RFP. A summary of the scope of the Proposal is included in the **Tender Particulars** section.

All correspondence and notification in relation to this RFP shall be sent through the UNOPS eSourcing system.

2. INTERPRETATION OF THE RFP

This RFP is an invitation to treat and shall not be construed as an offer capable of being accepted or as creating any contractual, other legal or restitutionary rights.

No binding contract, including a process contract or other understanding or arrangement, will exist between the Offeror and UNOPS and nothing in or in connection with this RFP shall give rise to any liability on the part of UNOPS unless and until the Contract is signed by UNOPS and the successful Offeror.

3. AMENDMENTS TO THE RFP

Prior to the deadline for Proposal Submission, UNOPS may at its discretion modify the RFP Documents by way of a written addendum. All written addenda to the RFP Documents shall form part of the RFP.

In the event UNOPS modifies the RFP, UNOPS will make such amendments through the UNOPS eSourcing system.

In order to give the Offerors reasonable time to take such modification into account, UNOPS may extend the Deadline for Proposal Submission as may be appropriate under the circumstances.

4. OFFEROR ELIGIBILITY

Offerors may be a private, public or government-owned legal entity or any association with legal capacity to enter into a binding contract with UNOPS.

An Offeror, and all parties constituting the Offeror, may have the nationality of any country with the exception of the nationalities, if any, listed in the **Tender Particulars** section. An Offeror shall be deemed to have the nationality of a country if the Offeror is a citizen or is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country.

An Offeror shall not have a conflict of interest. A Offeror shall be considered to have a conflict of interest if:

- An Offeror (including its personnel) has a close business or family relationship with a UNOPS personnel or with personnel of the UNOPS partner who engaged UNOPS and who: (i) are directly or indirectly involved in the preparation of the bidding documents or specifications of the contract, and/or the bid evaluation process of such contract; or (ii) would be involved in the implementation or supervision of such contract;
- An Offeror is associated, or has been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by UNOPS to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods, services or works required in the present procurement process;

- An Offeror has an interest in other Offerors, for the same procurement activity, including when they have common ownership and/or management. Offerors shall not submit more than one bid, except for alternative offers, if permitted. This will result in the disqualification of all bids in which the Offeror is involved. This includes situations where a firm is the Offeror in one bid and a sub-contractor on another; however, this does not limit the inclusion of a firm as a sub-contractor in more than one bid. In the case of procurement processes with lots, this provision shall apply on a lot by lot basis;
- An Offeror does not comply with any other conflict of interest situation relevant to the specific procurement process as specified in the solicitation document.
- An Offeror that has an owner, partner, board member, officer, who is a current member of UNOPS personnel (regardless of the UNOPS personnel contract modality), or in which a current member of UNOPS personnel has a direct financial interest in any capacity.

Offerors must disclose any actual or potential conflict of interest in the Offeror Information Form questionnaire and they shall be deemed ineligible for this procurement process unless such conflict of interest is resolved in a manner acceptable to UNOPS. Failure to disclose any actual or potential conflict of interest may lead to the Bidder being sanctioned further to UNOPS policy on vendor sanctions.

An Offeror shall not be eligible to submit a Proposal if and when at the time of proposal submission, the Offeror:

- is included in the Ineligibility List, hosted by [UNGM](#), that aggregates information disclosed by UNOPS ([UNOPS Ineligibility List](#)) and other Agencies, Funds or Programs of the UN System;
- is included in the [Consolidated United Nations Security Council Sanctions List](#), including the [UN Security Council Resolution 1267/1989 list](#);

All Offerors are expected to embrace the principles of the [United Nations Supplier Code of Conduct](#), given that it originates from the core values of the Charter of the United Nations. UNOPS also expects all its suppliers to adhere to the principles of the [United Nations Global Compact](#) and requests that all Offerors observe the highest standard of ethics during the entire Proposal process, as well as the duration of any contract that may be awarded as a result of this Proposal process as further defined in Article 41.

If an Offeror does not have all the expertise required for the provision of the services/goods to be provided under the Contract, such Offeror may submit a Proposal in association with other entities, particularly with an entity in the country where the goods and/or services are to be provided. In the case of a joint venture, consortium or association:

- (i) All parties of such joint venture, consortium or association shall be jointly and severally liable to UNOPS for any obligations arising from their Proposal and the Contract that may be awarded to them as a result of this RFP;
- (ii) The Proposal shall clearly identify the designated entity designated to act as the contact point to deal with UNOPS. The duly filled Joint Venture Partner Information Form must be included with the Proposal. Such entity shall have the authority to make decisions

- (iii) The composition or the constitution of the joint venture, consortium or association shall not be altered without the prior consent of UNOPS.
 - (iv) Each Joint Venture, consortium or association members must meet the offerer eligibility conditions.

The eligibility conditions for the Offeror under this article also apply to any sub-contractor.

Offerors shall not benefit from such ambiguities, errors, omissions, discrepancies, inconsistencies or other faults.

6. OFFERORS' RESPONSIBILITY TO INFORM THEMSELVES & ACKNOWLEDGEMENT

Offerors acknowledge that UNOPS, its directors, employees and agents make no representations or warranties (express or implied) as to the accuracy, currency or completeness of this RFP or any other information provided to the Offerors.

7. CLARIFICATION OF THE RFP

Offerors may request clarification of the RFP or Proposal process by submitting a written request through the **Clarification requests** functionality of the UNOPS eSourcing system up to the time stated in the **Tender Particulars** section and thereafter requests for clarification will not be accepted. Explanations or interpretations provided through other means will not be considered binding or official.

UNOPS shall gather all requests for clarification and may respond in writing to all such requests at the same time. Responses to requests for clarification shall be posted through the UNOPS eSourcing system.

8. CLARIFICATION OR PRE-PROPOSAL MEETING

Unless otherwise instructed in writing by UNOPS, a clarification or Pre-Proposal meeting will only be held if stated in the **Tender Particulars** section, at the time and place and in accordance with any instructions set out in the **Tender Particulars** section.

If it is stated in the **Tender Particulars** section that a clarification meeting shall be mandatory, an Offeror which does not attend the clarification meeting shall become ineligible to submit a proposal under this RFP.

The names of representatives of Offerors who will attend the clarification meeting shall be submitted in writing by Offerors to the UNOPS contact email listed in the **Tender Particulars** section, including the full name and position of each representative at least 1 working day before the clarification meeting is to be held.

UNOPS will not issue any formal answers to questions from Offerors regarding the RFP or Proposal process during the clarification meeting. All questions shall be submitted in accordance with Article 7.

If it is stated in the **Tender Particulars** section that a site inspection shall be mandatory, an Offeror which does not attend the site inspection shall become ineligible to submit a proposal under this RFP.

Offerors participating in a site inspection shall be responsible for making and obtaining any visa arrangements that may be required for the Offerors to participate in a site inspection.

Prior to attending a site inspection, Offerors shall execute an indemnity and a waiver releasing UNOPS in respect of any liability that may arise from:

- (i) loss of or damage to any real or personal property;
- (ii) personal injury, disease or illness to, or death of, any person;
- (iii) financial loss or expense, arising out of the carrying out of that site inspection; and
- (iv) transportation by UNOPS to the site (if provided) as a result of any accidents or malicious acts by third parties.

UNOPS will not issue any formal answers to questions from Offerors regarding the RFP or Proposal process during a site visit. All questions shall be submitted in accordance with Article 7.

A site visit will be conducted for the purpose of providing background information only. Without limiting Article 6, Offerors shall not rely upon any information, statement or representation made at a site visit unless that information, statement or representation is confirmed by UNOPS in writing.

10. DOCUMENTS COMPRISING THE PROPOSAL

The Proposal shall comprise the following:

- (a) Proposal Submission Form and the applicable Returnable Bidding Forms included in Section III;

- (c) Documentary evidence to establish the Offeror's compliance with the applicable eligibility, formal, qualification and technical criteria.

11. EXCLUSIVITY AND AVAILABILITY STATEMENT

If so required in the **Tender Particulars** section each key expert profile requested in Section II: Schedule of Requirements must sign an exclusivity and availability statement. The purpose of Exclusivity and Availability Statement is as follows:

- (a) The key experts proposed in the proposal must not be part of any other proposal being submitted for this RFP process. They must therefore engage themselves exclusively to the Offeror.
- (b) Each key expert must also undertake to be available, able and willing to work for all the period foreseen for his/her input during the implementation of the contract as indicated in the Schedule of Requirements and the offeror's proposal.

Having selected an offeror partly on the basis of an evaluation of the key experts presented in the offer, UNOPS expects the contract to be executed by these specific experts. As the expected date of mobilization is given in the solicitation documents, UNOPS will only consider substitutions after the deadline for the submission of proposals in cases of unexpected delays in the commencement date beyond the control of the Offeror, or exceptionally because of the incapacity of a key expert for health reasons or due to force majeure or other circumstances which may justify a replacement and which would not have any effect on the selection of the proposal. The desire of an Offeror to use an expert on another project or a change of mind on the part of an expert about the contract will not be accepted as a reason for substitution of any of the key experts.

12. REMUNERATION FOR AND COSTS OF PROPOSALS

Offerors shall not be entitled to any remuneration or compensation for the preparation and submission of their Proposal.

Offerors acknowledge that their participation in any stage of the solicitation process for this RFP is at the Offerors' own risk and cost. UNOPS shall not be responsible for any costs or expenses incurred by Offerors in the preparation and submission of Proposals or participation in the solicitation process, including as part of any clarification meeting or site inspection.

UNOPS is not liable to Offerors for any costs, expense or loss on any legal, contractual, quasi contractual or restitutionary basis incurred or suffered in connection with the RFP or Offerors' participation in the solicitation process, including where:

- (i) clarifications and addenda are provided or not provided to Offerors;
- (ii) an Offeror is not selected or not engaged to carry out the services;
- (iii) UNOPS varies, terminates, suspends or delays any aspect of the Proposal process or conducts another process in its place;
- (iv) UNOPS elects not to proceed with the RFP in whole or in part; or
- (v) UNOPS exercises any other rights under the RFP.

13. PROPOSAL VALIDITY PERIOD

Proposals shall remain valid for acceptance by UNOPS for the entire period set out in the **Tender Particulars** section. A Proposal valid for a shorter period of time shall not be further considered.

Prior to expiration of the Proposal validity period, UNOPS may request in writing that the Offerors extend the validity of their Proposals with the same conditions. The Proposal of Offerors who decline to extend the validity of their Proposal shall become disqualified as no longer valid.

14. PARTIAL PROPOSALS

Offerors must offer services/goods for the total requirement requested under Section II: Schedule of Requirements unless if so stated in the **Tender Particulars** section. Proposals offering only part of the requirements may be rejected unless permitted otherwise in the **Tender Particulars** section.

If indicated in the **Tender Particulars** section that Proposals are being invited for individual contracts (lots) and unless otherwise indicated in the **Tender Particulars** section, Offerors must offer 100 % of the items specified for each lot and to 100% of the quantities specified for each item of a lot. If applicable, the methodology of evaluation to determine the award of multiple lot combinations will be specified in the **Evaluation Criteria** section.

15. ALTERNATIVE PROPOSALS

Offerors shall not submit more than one Proposal per Offeror in this RFP process, with the exception of alternative proposals if so provided for in the **Tender Particulars** section. Where the conditions for its acceptance are met, UNOPS reserves the right to award a contract based on an alternative Proposal.

16. PROPOSAL PRICES AND DISCOUNTS

The prices and discounts quoted by the Offeror in the Financial Proposal Form shall conform to the requirements specified below.

All items and lots (if applicable) must be listed and priced separately in the Financial Proposal Form.

The Offeror shall quote any unconditional discounts and indicate the method for their application in the Financial Proposal Form.

If applicable, the terms FCA, CPT and other similar terms shall be governed by the rules prescribed in the 2020 edition of Incoterms, published by the International Chamber of Commerce. The Incoterms rules and place of destination is specified in Section II: Schedule of Requirements.

Prices quoted by the Offeror shall be fixed during the Offeror's performance of the Contract and not subject to variation on any account, unless otherwise specified in the **Tender Particulars** section. A Proposal submitted with an adjustable price shall be treated as non-compliant and shall be rejected, pursuant to Instructions to Offerors Article 27. However, if in accordance with the **Tender Particulars** section, prices quoted by the Offeror shall be subject to adjustment during the performance of the Contract, a Proposal submitted with a fixed price quotation shall not be rejected, but the price adjustment shall be treated as zero.

If indicated in the **Tender Particulars** section Proposals are being invited for individual contracts (lots) and unless otherwise indicated in the **Tender Particulars** section, prices quoted shall correspond to 100 % of the items specified for each lot and to 100% of the quantities specified for each item of a lot. Offerors wishing to offer any price reduction (discount) for the award of more than one Lot shall specify the applicable price reduction.

17. PROPOSAL CURRENCY(IES)

Prices in the Proposal shall be quoted in the currency(ies) stated in the **Tender Particulars** section. If applicable, for comparison and evaluation purposes, UNOPS will convert the Proposal prices into USD at the official United Nations rate of exchange in force at the time of the Deadline for Proposal Submission.

UNOPS reserves the right not to reject any Proposals submitted in a currency other than the mandatory Proposal currency(ies). UNOPS may accept Proposals submitted in another currency than stated above if the Offeror confirms during clarification of Proposals in writing that it will accept a contract issued in the mandatory Proposal currency and that for conversion the official United Nations operational rate of exchange of the day of RFP deadline as stated in the **Tender Particulars** section shall apply. Regardless of the currency of Proposals received, the contract will always be issued and subsequent payments will be made in the mandatory Proposal currency above.

18. DUTIES AND TAXES

Article II, Section 7, of the Convention on the Privileges and Immunities provides, inter alia, that the United Nations, including UNOPS as a subsidiary organ, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a similar nature in respect of articles imported or exported for its official use. All Proposals shall be submitted net of any direct taxes and any other taxes and duties, unless otherwise specified in the **Tender Particulars** section.

19. PROPOSAL SECURITY

The Offeror shall furnish as part of its Proposal, a Proposal Security, if required in the **Tender Particulars** section.

The Proposal Security shall be in the amount specified in the **Tender Particulars** section and shall:

- (a) Be in the same currency as stipulated in Instructions to Offerors, Article 17.
- (b) Be valid for thirty (30) days beyond the period of Proposal validity prescribed by UNOPS pursuant to Article 13, Proposal Validity Period.

A proposal that does not include a Proposal Security in the amount and form described above may be rejected by UNOPS.

Unsuccessful Offerors' Proposal securities will be discharged/returned as promptly as possible, but no later than thirty (30) days after the expiration of the period of Proposal validity prescribed by UNOPS pursuant to Article 13, Proposal Validity Period.

The successful Offeror(s)' Proposal securities will be discharged/returned upon the Offeror executing the contract, pursuant to Article 34, Signing of Contract.

The Proposal security may be forfeited:

- a. If a Offeror withdraws its Proposal during the period of Proposal validity specified by the Offeror on the Proposal submission form; or
- b. In the case of the successful Offeror, if the Offeror fails to sign the contract in accordance with Article 34, Signing of Contract.

20. FORMAT AND SIGNING OF PROPOSALS

The documents comprising the Proposal shall be typed and shall be signed in indelible ink by the Offeror or a person or persons duly authorized to bind the Offeror to the contract.

A Proposal shall contain no interlineations, erasures, or overwriting. If necessary to correct errors made by an Offeror, hand written corrections to the Proposal may be made before the submission and/or the Deadline for Proposal Submission. In this case, such corrections shall be initialled by the person or persons who signed the Proposal.

21. LANGUAGE OF PROPOSALS

All Proposals, information, documents and correspondence exchanged between UNOPS and the Offerors in relation to this Proposal process shall be in the language set out in the **Tender Particulars** section.

Supporting documents may be submitted in their original language. If such language is different from that set out in the **Tender Particulars** section, the supporting documents shall be submitted together with a translation of the supporting documents' relevant excerpts. In any such case, for interpretation of the Proposal, the translation shall prevail. The sole responsibility for translation and the accuracy thereof shall rest with the Offeror.

22. DEADLINE FOR PROPOSAL SUBMISSION

All Proposals shall be received by UNOPS by no later than the time and date set out in the **Tender Particulars** section. It shall be the sole responsibility of the Offerors to ensure that their Proposal is submitted through the UNOPS eSourcing system before this date.

UNOPS may, at its discretion, extend this deadline for the submission of Proposals by amending the solicitation documents in accordance with Article 3 Amendment of solicitation documents. In this case, all rights and obligations of UNOPS and Offerors subject to the previous deadline will thereafter be subject to the new deadline as extended.

23. PROPOSAL SUBMISSION

All proposals shall be submitted to UNOPS through the UNOPS eSourcing system. Particular attention should be made by Offerors in not including any financial/price information in the technical proposal envelope. Proposals that are not submitted in accordance with this provision shall be rejected.

24. WITHDRAWAL, SUBSTITUTION, AND MODIFICATION OF PROPOSALS

Prior to the Deadline for Proposal Submission, an Offeror may withdraw, substitute, or modify its submitted Proposal. However, after the Deadline for Proposal Submission, the Proposals shall remain valid and open for acceptance by UNOPS for the entire Proposal Validity Period, as may be extended.

25. OPENING OF PROPOSALS

Technical Proposals will be opened at the time and location, and in accordance with the requirements, set out in the Tender Particulars section. Offerors shall not attend the technical proposal opening, unless specified in the **Tender Particulars** section.

Financial proposals will be opened only for proposals that achieve the minimum technical threshold according to Article 30, Evaluation of Proposals.

26. CLARIFICATION OF PROPOSALS

UNOPS may request clarification or further information in writing from the Offerors at any time during the evaluation process. The Offerors' responses shall not contain any changes regarding the substance or price of the Proposal, except to confirm the correction of arithmetic errors discovered by UNOPS in the Evaluation of the Proposals, in accordance with Instructions to Offerors Article 28.

UNOPS may use such information in interpreting and evaluating the relevant Proposal but is under no obligation to take it into account

27. COMPLIANCE OF PROPOSALS

UNOPS's determination of a Proposal's compliance is to be based on the contents of the Proposal itself.

A substantially compliant Proposal is one that meets or exceeds the requirements under the Schedule of Requirements and obtains the minimum required number of technical points defined in the **Tender**

Particulars and **Evaluation Criteria** section, without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

- (a) affects in any substantial way the scope, quality, or performance of the services/goods specified in the Schedule of Requirements; or
- (b) limits in any substantial way, inconsistent with the Bidding Documents, UNOPS' rights or the Offeror's obligations under the Contract; or
- (c) if rectified would unfairly affect the competitive position of other Offerors presenting substantially compliant Proposals.

If a Proposal is not substantially compliant to the Bidding Documents, it shall be rejected by UNOPS and may not subsequently be made compliant by the Offeror by correction of the material deviation, reservation, or omission.

28. MINOR INFORMALITIES, ERRORS, OR OMISSIONS

Provided that a Proposal is substantially compliant, UNOPS may waive any minor informalities, errors or omissions in the Proposal that do not constitute a material deviation. These are a matter of form and not of substance that can be corrected or waived without being prejudicial to other Offerors.

Provided that a Proposal is substantially compliant, UNOPS may request the Offeror to submit the necessary information or documentation, within a reasonable period of time, to rectify minor informalities, errors or omissions in the Proposal.

Provided that the Proposal is substantially compliant, UNOPS shall correct arithmetical errors on the following basis:

- (a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of UNOPS there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
- (b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

If the Offeror that is recommended for award as per the award criteria does not accept the correction of errors, its Proposal shall be rejected and its Proposal Security may be forfeited.

29. PRELIMINARY EXAMINATION

Upon opening of the Proposals, UNOPS shall proceed to a preliminary examination of the Proposals to confirm that all documents and technical documentation requested in Instructions to Offerors Article 10, Documents comprising the Proposal, have been provided, and to determine the completeness of each document submitted. UNOPS may reject any Proposal during the preliminary examination which does not comply with the formal and eligibility requirements set out in the Evaluation Criteria section, without further consultation with the Offeror.

Proposals which are incomplete, frivolous, or that contain material deviations from or reservations to the terms of the Contract, may, in UNOPS absolute discretion, be rejected or excluded from further consideration at any time during the evaluation, including after preliminary examination.

30. EVALUATION OF PROPOSALS

To evaluate a Proposal, UNOPS shall only use all the methodologies and criteria defined in the RFP. No other criteria or methodology shall be permitted.

All Proposals found substantially compliant with the formal and eligibility criteria under Article 29, Preliminary Examination, will go through subsequent evaluation as follows:

1. Qualification criteria (if included in the Evaluation Criteria section). Only Offerors meeting the minimum qualification criteria will be deemed qualified and be evaluated further.
2. A two-stage procedure will be utilized in evaluating the Proposals, with evaluation of the Technical Proposal being completed prior to any Financial Proposal being opened and compared. The total number of points which an Offeror may obtain for its Technical and Financial Proposals is stated in the Evaluation Criteria section and which shall have either a weighting of 80%-20%, 70%-30%, 60%-40% or 50%-50% (Technical Proposal-Financial Proposal).
 - a. The Technical Proposal is evaluated on the basis of its compliance to Section II: Schedule of Requirements, in accordance with the technical criteria points specified in the Evaluation Criteria section. Each Proposal will be given a technical score. A Proposal shall be deemed not substantially compliant at this stage if it does not achieve the minimum technical threshold indicated in the Tender Particulars section and if so, it will not be evaluated further.
 - b. Financial Proposals will only be opened for the Offerors that achieve the minimum technical threshold. Proposals scoring above threshold shall be checked for any arithmetic errors in computation and summation following Article 28. This maximum number of points will be allocated to the lowest price Financial Proposal. Financial Proposals from other offerors will receive points in reverse proportion according to the following formula:

$$\text{Points for the Financial Proposal being evaluated} = \frac{[\text{Maximum number of points for the Financial Proposal}] \times [\text{Lowest price}]}{[\text{Price of proposal being evaluated}]}$$

Example: Maximum number of Financial Proposal points is 30 points. Offeror A's price is the lowest at \$10.00. Offeror A receives 30 points.

Offeror B's price is \$20.00. Offeror B receives $(\$10.00/\$20.00) \times 30 = 15$ points

After completion of the evaluation but prior to award, UNOPS shall conduct background checks/due diligence on the Offeror recommended for award, to confirm the Offeror meets the criteria set forth in this RFP or as appropriate to the nature of the procurement process and to reject an Offeror on the basis of such findings. Offerors shall permit UNOPS representatives to access their facilities at any reasonable time to inspect the Offeror's premises.

31. AWARD CRITERIA

In the event of a Contract award, UNOPS shall award the Contract to an Offeror who has been determined as eligible and qualified and whose proposal has obtained the overall highest score on the cumulative analysis evaluation of the Technical and Financial proposals, as specified in Article 30. UNOPS reserves the right to conduct negotiations with the Offeror recommended for award on the content of their Proposal.

32. UNOPS RIGHT TO VARY QUANTITIES AT THE TIME OF AWARD

At the time the Contract is awarded, UNOPS reserves the right to increase or decrease the quantity of Goods and/or Services originally specified in Section II: Schedule of Requirements, provided this does not exceed the percentages specified in Section II: Schedule of Requirements, and without any change in the unit prices or other terms and conditions of the Proposal and the RFP.

33. NOTIFICATION OF AWARD

Prior to the expiration of the period of Proposal validity, UNOPS will notify the successful Offeror in writing by email or post, that its Proposal has been accepted. Please note that the Offeror, if not already a registered vendor, will be required to complete a vendor registration process on the UNGM prior to the signature and finalization of the contract.

34. SIGNING OF CONTRACT

At the same time as UNOPS notifies a successful Offeror that its Proposal has been accepted, UNOPS will invite the Offeror, provided the Offeror is successfully registered on the UNGM, to sign the final version of the Contract provided in the Bidding Documents, incorporating all agreements between the parties.

35. PERFORMANCE SECURITY

The successful Offeror, if so specified in the **Tender Particulars** shall furnish a Performance Security in the amount and form specified therein, within the specified number of days after receipt of the Contract from UNOPS. UNOPS shall promptly discharge the Proposal Securities of the unsuccessful Offerors pursuant to Instructions to Offerors Article 19.

Failure of the successful Offeror to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Proposal Security. In that event UNOPS may award the Contract to the next lowest evaluated Offeror, whose offer is substantially responsive and is determined by UNOPS to be qualified to perform the Contract satisfactorily.

36. PAYMENT TERMS

UNOPS will ordinarily effect payment within 30 days after receipt of the goods/services and on submission of payment documentation unless otherwise stated in the **Tender Particulars** section. Time in connection with discounts offered for accelerated payment will be computed from the date of receipt of payment documents by UNOPS. Payment discounts will not be considered in the financial evaluation.

Unless otherwise stated in the **Tender Particulars** section, UNOPS will not accept requests from Offerors to make advanced payments on the contract signed, i.e. payments made prior to receipt of goods and/or services.

If so accepted in the **Tender Particulars** section, a request from the Offeror for advance payment shall be justified in writing by the Offeror in its Proposal. This justification must explain the need for the advance payment, itemize the amount requested, and provide a time-schedule for utilization of the requested advance payment amount. If such request is duly accepted by UNOPS, UNOPS may require the Offeror to submit a Bank Guarantee in the same amount as the advanced payment, in the form included in Section IV: Contract Forms, or another Form acceptable to UNOPS.

37. CONTRACT MANAGEMENT

UNOPS will continuously manage the contractor's performance during the entire contract period and will conduct performance evaluation based on Key Performance Indicators (KPIs) or Service Level Agreements (SLA) if so specified in Section II: Schedule of Requirements.

Except under the circumstances of Force Majeure as described under the UNOPS General Conditions of Contract, if the Contractor fails to deliver any or all of the goods by the date(s) of delivery or perform the services tied to the delivery of goods within the period specified in the Contract, UNOPS may, without prejudice to any or all its other remedies under the Contract and if so stated in the **Tender Particulars** section, deduct from the Contract price, as liquidated damages, a sum of the original total Contract price for each day of delay until actual delivery or performance, up to a maximum deduction of 10%. Once the maximum is reached, UNOPS may terminate the Contract pursuant to the General Conditions of Contract.

38. PUBLICATION OF CONTRACT AWARD AND DEBRIEFING PROCEDURES

UNOPS shall publish in its website (<https://data.unops.org>) and/or the UNGM website (<https://www.ungm.org/Public/ContractAward/Index/ContractAwards>) information regarding the purchase order(s) or contract(s) awarded as a result of this ITB.

UNOPS may debrief unsuccessful bidders upon receipt of a written request. The request for debrief must be received within 10 calendar days of the notification by UNOPS of the tender results to unsuccessful bidders and is a prerequisite for a bidder to file a bid protest, further to Article 43 below. UNOPS shall promptly respond in writing to any unsuccessful Bidder who requests a debriefing.

39. OTHER UNOPS RIGHTS

Subject to Article 30, UNOPS shall have no obligation to accept any Proposal, including the Proposal with the lowest price.

UNOPS may, in its absolute discretion, do all or any of the following:

- (i) require additional information from Offerors;
- (ii) change the structure and timing of the RFP;
- (iii) alter, terminate, suspend or defer the Proposal process or any part of or activity in it;
- (iv) consider or accept or reject any Proposal which is non-conforming;
- (v) request, attend or conduct any site inspections or clarification meetings;
- (vi) request, attend or observe any product, plant, equipment or other demonstration, trial or test, provided UNOPS acts reasonably in so doing;
- (vii) abandon, cancel or otherwise not proceed with the Proposal process at any time prior to the award of a contract, without any liability toward the Offerors and without providing any reason or notice to Offerors.

40. CONFIDENTIALITY

All information and documents provided to the Offerors by UNOPS shall be treated as confidential by the Offerors and shall:
